## Ecofriendly Car Innovation By Kalinga Student's Kalinga University ( 11-Aug-2018)

### कलिंगा यूनिवर्सिटी के छात्रों ने बनाई बिजली से चलने वाली कार

कलिंगा यूनिवर्सिटी रायपुर के मेकेनिकल इंजीनियरिंग के छह छात्रों ने बिजली से चलने वाली कार बनाई है। छात्रों ने कार का निर्माण तीन महीने के भीतर और काफी कम लागत में किया है। छात्रों ने कार का नाम 'बिजली' रखा है। इस कार को बनाने वाले छात्र हैं - अंकुर मुखर्जी, चंद्रकांत पटेल, प्रशांत नागेश और योगेश महरिया। ये सभी छात्र कलिंगा यूनिवर्सिटी रायपुर के मेकेनिकल इंजीनियरिंग विभाग के सहायक प्राध्यापक समीर वर्मा के निदेशन में विश्वविद्यालय के बर्कशाप में ही इसका निर्माण किया। कार का निर्माण अनुपयोगी सामग्री और कबाड़ से किया गया है। मात्र दो लाख रुपये की लागत से इस इकोफ्रेंडली कार को तैयार कर लिया गया है। छात्रों ने बताया कि कार का बजट

625 किलो है, इसमें 12 वाट की चार बैटरी और 850 वाट का चॉपर इंजन लगा हुआ है। कार में आधुनिक तरीके से ब्रेक, सर्विसेस और स्टेयरिंग लगे हुए हैं। यह कार पॉप चर्टे में फुल चार्ज हो जाती है। एक चार घण्टों होने के बाद 70 किलोमीटर तक चलती है। कार की अधिकतम गति सीमा 30 किलोमीटर प्रति घंटा है। कार में अधिकतम छह लोग बैठकर यात्रा कर सकते हैं। मेकेनिकल इंजीनियरिंग विभाग के सहायक प्राध्यापक समीर वर्मा ने बताया कि उनके विभाग के छात्र हमेशा नए-नए रिसर्च करते रहते हैं। कार का निर्माण भी रिसर्च का नतीजा है। श्री वर्मा ने बताया कि पर्यावरण, प्रदूषण और ईंधन की बढ़ती कीमतों को देखते हुए छात्रों ने किफायती कार निर्माण की सीधी और सीध

को साकार किया। छात्रों ने पेट्रोल-डीजल से चलने वाली गाड़ी के विकल्प के तौर पर बैटरी से चलने वाली गाड़ी तैयार की है। इस कार से न तो धुआं निकालता है और न ही इसके चलने से तेज आवाज होती है। इस कारण से पर्यावरण को कोई नुकसान नहीं होता है। विश्वविद्यालय के चैयरमैन डॉ. राजीव कुमार और चांसलर डॉ. संदीप अरोड़ा ने कार को विश्वविद्यालय ऑफिस में चलकर देखा और उसका उपलब्ध किया। डॉ.नों ने मेकेनिकल विभाग के प्राध्यापक और छात्रों को इस शानदार उपलब्धि के लिए बधाई दी और भविष्य में नए शोध और आविष्कार के लिए विश्वविद्यालय प्रशासन के तत्क से पूरी मदद करने का भरोसा भी दिया।

## Independence Day Celebration 15/08/2018

Kalinga University, Raipur celebrated 72<sup>rd</sup> Independence Day of India with great enthusiasm and patriotic fervour. On the occasion of Independence Day (August 15, 2018) our Vice chancellor, Registrar, Senior Professors & faculty members along with all our students were present in the lawn area of campus for the patriotic celebration. The spirit of freedom and nationalism was well exhibited by the students and teachers of Kalinga University through enthusiastic deliveries of patriotic poems and speeches. The students spoke on the history and significance of the Independence Day and shed light on the special highlights of celebrations this year. A group of students and teachers shared

inspirational quotes on freedom and expressed their views on 'What does Freedom Mean to them. The celebrations concluded with inspiring words of Dr. R. Shridhar (Vice Chancellor) and Dr. Sandeep Gandhi (Registrar) of the University followed by the National Anthem and distribution of sweets.

On 15<sup>th</sup> of August, another special event was also organized by the university in which Kalinga University in collaboration with Raipur Police distributed free helmets to students and faculty members of Kalinga University. In order to make the youth of Chhattisgarh aware of traffic rules and ensure their safety. This noble event was organized and was named 'Helmet in every head'. This programme evidently signified the importance and true meaning of Independence Day. On this occasion, Raipur Police appealed to everyone to wear a helmet before riding a two wheeler, as it is important for their safety.

## Field training conducted for students of Kalinga University

Staff Reporter  
RAIPUR, Aug 28

A DAY-LONG observational visit-cum-field training was organised by Kalinga University (KU) for the students of Bachelor of Social Work of the KU recently. The students visited Sneh Sampada Vidyalyaya - Rehabilitation & Research Centre, Bhilai, which is affiliated to Social Welfare Department, National Institute of Mental Health, Hyderabad, National Confederation, New Delhi.

The group of Indian and Korean Social Work students was briefed about the organisation, Sneh Sampada by the Principal P R Shirke, its vision, mission and

The training programme underway.

the spectrum of services being provided by the school since its inception in 1991. She shared with inquisitive students the evolution and the objectives of the school. She explained the values and the guiding principles for the training & various rehabilitative

programmes for the students and inmates. The inquisitive BSW students put a number of questions related to mentally challenged children and their problems from Social Work perspective before the principal which were satisfactorily answered.

During the interactive training session, encompassing different facets of mental retardations and the psycho-social and economic rehabilitation, the trainers disseminated vital information regarding Mental Disability, Cerebral Palsy, Autism, Down's Syndrome and multiple disability among students.

To learn effective Social Work skills, tools and techniques employed for mentally chal-

lenged persons and get first hand information, the BSW students interacted with the special educators and trainers and also the mentally challenged students.

The observational visit cum field work training provided a tremendous platform and afforded invaluable exposure to budding social workers for experiential learning from well trained and experienced special educators.

The visit was organised and guided by A K Kaul, Assistant Professor, Social Work, Kalinga University, New Raipur. Dr M S Mishra, HOD, Department of Arts & Humanities, Kalinga University wished the students a great success.

### **NCC Camp for RDC-2 & Hockey team Selection Camp 02.10.2018**

National Cadet Corps aims at developing character and comradeship, as well as keenness for service and capacity for leadership in the youth. It provides military training to the youth and builds a ready reserve, which the Armed Forces could easily make use of in times of national emergency. There are a number of incentives that motivates students to become cadets. Besides being an additional merit while seeking to join the forces or taking up other jobs, NCC also motivates cadets to perform to their best by offering scholarships, cash awards, prizes, medals, trophies etc. Apart from service and institutional training, the cadets also participate in other activities like Community Development, Youth Exchange Programme, Adventure Sports Training. Taking part in NCC Day, Republic day Camp etc. not only gives the students an opportunity to visit different cities/states but also interact with cadets from different parts of the country.

## **QUIZ COMPETITION BY DEPARTMENT OF APPLIED SCIENCE**

**26/10/2019**

This year we have organized the Inter departmental Quiz Contest on the 16th of October. Usually our quiz contest takes place in November but due to examination and unit test we had to bring it forward. One more reason to have it earlier was to have this event in the presence of our Chair Person members. The entire program took place at the Kalinga NBSF-9. This is the place where all extra curriculum activities of our department take

place. 30 students participated in the quiz contest. This time all students are very actively participated in this program. Overall the turnout was very good. The program started at 12.00noon. Fazila has given the opening speech in her speech she introduced each and every member of Kalinga University including our Vice President and Registrar sir. Then she finally welcomed our Head of Department who was the quiz master of this contest. The contest started by reading out the rules and regulations to all the participants. Teams were named as team A, team B, team C, team D, team E, team F after that Elimination rounds was started. The first elimination round consisting of 30 MCQ'S each question carry 2 marks it means over all 60 marks was there. In this MCQ based questions paper was distributed among the students. They have given 1 hr 15 minutes to complete the exam after that according to their performance 12 high scorers have been selected for 2nd round Quiz Competition. After that elimination round 2nd phase of Quiz contest was organized by the department we have worked very hard in planning and formulating the rules and regulation for the event. Finally we have conducted the event in 3 rounds 1.Question Answer Round 2.Audio visual Buzzer round 3.Rapid fire round. In first Round 5 direct questions were asked to each team. If the questions were not answered by the teams it was passed on to the students who had come to cheer their Friends after this round only two teams went to the final round. They were Arunuma, Fazila and Shubham Thakur, Prakhar. The second elimination round was held between two teams (a) Laxminarayan, Rahul and(c) Subham, Prakhar. In this round 5 videos were screened in front of the opponents and that was Buzzer Round at that time teams were participating very actively and enthusiastically. Questions were asked to each team out of those teams only one team went to the finals and that was Subham,Prakhar. The third elimination round was held between Laxminarayan, Rahul and Durgesh,Sunju. In this round too the teams were asked 5 direct questions each and from there only one team went into the final round. That was Laxminarayan, Rahul. So for the final round we had three teams 1. Laxminarayan, Rahul, 2. Subham, Prakhar 3. Arunuma, Fazila. After this round there was a 10 minute break. Finally we had conducted Final round: In the final round the teams were first asked 5 direct questions each and then there was the rapid fire round. In the rapid fire round each team is asked 7 questions if the answer was wrong then one point of the team was deducted and these questions do not get passed on

to the next team or to the audience. The final round was a little tense as the participants were very nervous but the quiz master kept putting their spirits up and telling them not to get nervous as this is not a college examination and that anyone can give wrong answers. In this way the participants began to feel a little better and energized. The round finally came to a close with Subham, Prakhar as the winner. With point of 115. The first runner up was Arunuma, Fazila with (100) points, second runners up was Durgesh, Sanju with (99) points. The winners were selected for University level competition. All the other participants were very happy and energized. To bring the program to a close HOD gave a small speech and thanked all the participants, teachers and guardians for joining us in this quiz contest and making it a great success. He also requested the Chair Person and delegates to come up to the stage along with our vice president and give a small speech. We were really happy to have them throughout the entire program. After the presentation ceremony the students took out photographs with the CP members, GS and some other members of our University and on that note the program came to an end. Our GS will be sending you the pictures of the quiz contest.

## **QUIZ COMPETITION - PHYSICS -DEPARTMENTAL QUIZ**

**23.11.2018**

This year we have organized the Inter departmental Quiz Contest on the 23rd of Nombor. Usually our quiz contest takes place in November but due to examination and unit test we had to bring it forward. One more reason to have it earlier was to have this event in the

presence of our Chair Person members. The entire program took place at the Kalinga NBSF-9. This is the place where all extra curriculum activities of our department take place. 30 students participated in the quiz contest. This time all students are very actively participated in this program. Overall the turnout was very good. The program started at 12.00noon. Fazila has given the opening speech in her speech she introduced each and every member of Kalinga University including our Vice President and Registrar sir. Then she finally welcomed our Head of Department who was the quiz master of this contest. The contest started by reading out the rules and regulations to all the participants. Teams were named as team A, team B, team C, team D, team E, team F after that Elimination rounds was started. The first elimination round consisting of 30 MCQ'S each question carry 2 marks it means over all 60 marks was there. In this MCQ based questions paper was distributed among the students. They have given 1 hr 15 minutes to complete the exam after that according to their performance 12 high scorers have been selected for 2nd round Quiz Competition. After that elimination round 2nd phase of Quiz contest was organized by the department we have worked very hard in planning and formulating the rules and regulation for the event. Finally we have conducted the event in 3 rounds 1.Question Answer Round 2.Audio visual Buzzer round 3.Rapid fire round. In first Round 5 direct questions were asked to each team. If the questions were not answered by the teams it was passed on to the students who had come to cheer their Friends after this round only two teams went to the final round. They were Arunuma, Fazila and Shubham Thakur, Prakhar. The second elimination round was held between two teams (a) Laxminarayan, Rahul and(c) Subham, Prakhar. In this round 5 videos were screened in front of the opponents and that was Buzzer Round at that time teams were participating very actively and enthusiastically. Questions were asked to each team out of those teams only one team went to the finals and that was Subham,Prakhar. The third elimination round was held between Laxminarayan, Rahul and Durgesh,Sunju. In this round too the teams were asked 5 direct questions each and from there only one team went into the final round. That was Laxminarayan, Rahul. So for the final round we had three teams 1. Laxminarayan, Rahul, 2. Subham, Prakhar 3. Arunuma, Fazila. After this round there was a 10 minute break. Finally we had conducted Final round: In the final round the teams were first asked 5 direct questions each and then there was the rapid

fire round. In the rapid fire round each team is asked 7 questions if the answer was wrong then one point of the team was deducted and these questions do not get passed on to the next team or to the audience. The final round was a little tense as the participants were very nervous but the quiz master kept putting their spirits up and telling them not to get nervous as this is not a college examination and that anyone can give wrong answers. In this way the participants began to feel a little better and energized. The round finally came to a close with Subham, Prakhar as the winner. With point of 115. The first runner up was Arunuma, Fazila with (100) points, second runners up was Durgesh, Sanju with (99) points. The winners were selected for University level competition. All the other participants were very happy and energized. To bring the program to a close HOD gave a small speech and thanked all the participants, teachers and guardians for joining us in this quiz contest and making it a great success. He also requested the Chair Person and delegates to come up to the stage along with our vice president and give a small speech. We were really happy to have them throughout the entire program. After the presentation ceremony the students took out photographs with the CP members, GS and some other members of our University and on that note the program came to an end. Our GS will be sending you the pictures of the quiz contest.

## Educational tour Chennai 25.01.2019

It was a golden opportunity for Kalinga University to be a part of National Student Research Convention organized by Association of Indian Universities (AIU) at Annamalai University, Chennai. In this research convention total 75 teams participated. There were four fields in this convention—Engineering, Social, Health and Basic Science. The teams came from five zones – North, South, East, West and Central Zone. 15 teams from each zone in 5 fields were selected for this convention. Kalinga University participated in Research Convention with Engineering Science from Central Zone. The project was ‘Road Wheel Water Car.’

The research convention was in three phase –

- Poster Fixing
- Podium Presentation
- Project Demonstration

Poster fixing work was completed then podium presentation was done. The project demonstration was presented by Saurav and Devendra. Research convention was excellent and there were lots of new projects presented in this convention. In Annamalai University the coordinators were very energetic. Accommodation was given to the students by the University. And for the mentors guest house was made available. Apart from this convention we also participated in cultural program presented by students.

## Celebration of Republic Day

**26.01.2019**

Kalinga University, Raipur celebrated Republic Day of India with great enthusiasm and patriotic fervour. On the occasion of Republic Day (January 26, 2019) our Vice chancellor, Registrar, Senior Professors & faculty members along with all our students were present in the lawn area of campus for the patriotic celebration. The spirit of freedom and nationalism was well exhibited by the students and teachers of Kalinga University through enthusiastic deliveries of patriotic poems and speeches. The students spoke on the history and significance of the Republic Day and shed light on the special highlights of celebrations this year. A group of students and teachers shared inspirational quotes on freedom and expressed their views on 'What does Freedom Mean to them. The celebrations concluded with inspiring words of Dr. R. Shridhar (Vice Chancellor) and Dr. Sandeep Gandhi (Registrar) of the University followed by the National Anthem and distribution of sweets. On 26<sup>th</sup> of January, another special event was also organized by the University in which Kalinga University in collaboration with Raipur Police distributed free helmets to students and facultites of Kalinga University. In order to make the youth of Chhattisgarh aware of traffic rules and ensure their safety. This noble event was organized and was named 'Helmet in every head'. This programme evidently signified the importance and true meaning of Republic Day. On this occasion, Raipur Police appealed to everyone to wear a helmet before riding a two wheeler, as it is important for their safety.

### **Visit to Sirpur for understanding ancient Budhist traditions and Culture 22.02.2019**

The modern Sirpur, which contains the remains of the ancient and medieval Buddhist era, is one of the most treasured places for Buddhists. Among the numerous temples and Buddhist monasteries (viharas), the most notable are the Lakshman Temple (one of the finest brick temples), Gandheshwar Temple, Anandprabhu Kutir Vihara and Swastika Vihara. The recently excavated Tivaradeva Mahavihara is, however, the most stunning of all. The sanctum of the vihara houses a sculpture of the Lord Buddha in the "Bhumisparsh mudra". The Buddhist monasteries at Sirpur are said to be largest and most important Buddhist monasteries in India.

### **Youth Delegates from Bhutan and Sri Lanka visiting the Campus 26.02.2019**

Any Indian person would always feel proud to represent India as one of the brand ambassadors (not the ones on TV or Promotional Campaigns) of India on a Global platform. That feeling cannot be summed up in words.

One such opportunity for MBA Students comes in the form of the Indian Youth Delegation. The Youth Delegation is a programme conducted by the Ministry of Youth Affairs and Sports, Government of India. The Youth Delegation actually is a contingent of youth selected from across reputed Institutes in India as well as Social Service and Youth Development Organizations like NYKS, NSS, RGNIYD etc., who are sent for cultural exchange or youth festivals in some friendly country to represent India, learn from the host country's culture, seek avenues of increased cooperation between India and the Host country as well as gain key insights and takeaways from the Host country which can be implemented in India for the welfare of the general public, industries, workplace or economy.

The focus of the Government of India is to empower Indian youth by helping them excel in key sectors like education, skill development, entrepreneurship, health, sports, social values, youth engagement, justice, etc. These key priority areas are based on National Youth Policy of 2014 formulated by the Government of India. Every year, India sends and receives several youth delegates to and from various friendly nations like China, Sri Lanka, Russia, Egypt, Japan, South Korea, etc. to foster better cordial relations with these countries and help our youth gain a holistic view of Indian and Global trends and contexts which would be useful for them as future citizens or future lawmakers.

# INTERDEPARTMENT QUIZ CONTEST

8.06.2019

An Inter departmental Quiz Contest was organized on 8.06.2017. The entire program took place at the Kalinga NBSF-9. 30 students participated in the quiz contest. All students actively participated in this program. Overall the turnout was very good. The program started at 12.00noon. The contest started by reading out the rules and regulations to all the participants. Teams were named as team A, team B, team C, team D, team E, team F after that Elimination rounds was started. The first elimination round consisting of 30 MCQ'S each question carry 2 marks it means over all 60 marks was there. In this MCQ based questions paper was distributed among the students. They were given 1 hour 15 minutes to complete the exam after that according to their performance 12 high scorers have been selected for 2nd round Quiz Competition. The event was conducted in 3 rounds 1.Question Answer Round 2.Audio visual Buzzer round 3.Rapid fire round. In first Round 5 direct questions were asked to each team. If the questions were not answered by the teams it was passed on to the students who had come to cheer their friends after this round only two teams went to the final round. In this round 5 videos were screened in front of the opponents and that was Buzzer Round at that time teams were participating very actively and enthusiastically. Questions were asked to each team. After this round there was a 10 minute break. Finally the final round was conducted. In the final round the teams were first asked 5 direct questions each and then there was the rapid fire round. In the rapid fire round each team was asked 7 questions if the answer was wrong then one point of the team was deducted and these questions did not get passed on to the next team or to the audience. The final round was a little tense as the participants were very nervous but the quiz master kept putting their spirits up and telling them not to get nervous as this is not a college examination and that anyone can give wrong answers. In this way the participants began to feel a little better and energized. The round finally came to a close with the winner and the two runner ups.
