

I researched on many local Universities and Colleges around and found that Kalinga was the right choice for me and I enrolled myself in Kalinga. I feel that the University is highly cost- effective and flexible to its students' needs to a huge extent. The teachers are very co-operative and friendly, I love the atmosphere and the opportunity offered by the University.

Smriti Singh – BA LLB

Kalinga has been a wonderful experience. I learnt a lot here, both academically and personally. My mentors, from the beginning identified my strengths and gave opportunities to refine them. I recommend every aspiring student coming out of the school to experience Kalinga.

Ivule Ezra - B Tech EE

The facilities and quality of teaching provide a rewarding learning environment. My learning experience at Kalinga University has been positive. The faculty is a great mix of people from the academia and from the Industry.

STUDENTS' SPEAK

It is a nice experience in studying in a good university... nice infrastructure, good facilities, providing excellent opportunity for exploration to the outside world and helpful faculties.

Toshiba Paikra - B Com

I joined Kalinga University in the first year of its inception. My University offers good study environment. It has given me opportunity to perform in all fields be it academics or sports.

Shivani Sharma – BA LLB

Kalinga is playing an important role in making me business ready. The skills are being establishing in me via various activities like seminars, workshops, academic and non-academic events in the Campus. The joy and happiness being shared inside & outside the Campus are enjoyable will be remembered.
