ABOUT THE UNIVERSITY

The Kalinga University, is a premier Institute for Higher Education and Research in the country. It is established under Chhattisgarh Private University (Establishment and Operations) Act 2005 and under section 2 (f) of UGC Act 1956. Situated in New Raipur, Sector 30, Kalinga University offers a lush green eco friendly campus with a conducive learning atmosphere rich in peace and serenity, which eventually turns the educational wheel and cognitive processes.

With an elite academic experience Kalinga University pushes the boundaries of knowledge by providing an interactive cross cultural campus accommodating students not only from India but more than twenty countries of the world which include South Korea, Tanzania, Sudan, Malawi and many more. Kalinga University provides world class infrastructure with well equipped labs having all the advanced resources and equipments to offer an excellent learning atmosphere to the students. It offers the highest quality of academic experience with a teaching staff repertoire of best teaching practices, reflective, collegial and rich in problem solving with emphasis on originality. Our outstanding and responsive support is actively available to the students right from the initial stage of their transition to University life till the accomplishment of degree and placement.

Our academic standards are high with an International campus unparalleled in the country. It is a matter of great proud for us to see Kalingites excel with a flourishing career graph in the global

atmosphere. We firmly believe in the motto of Father of our Nation, Mahatma Gandhi who expressed -

" Live as if you were to die tomorrow, Learn as if you were to live forever..."

MESSAGE FROM CHAIRMAN

As Kalinga University completes another year (2018-19), I am filled with pride and happiness, and express my gratitude to God Almighty for helping us come full circle. Indeed, it has been an eventful journey since the inception of the university back in 2013. Today, we may proudly say that what began as a dream has successfully made its mark in the city's blooming education sector. Indeed, the university shines brightly among all other top educational institutions of Chhattisgarh. It is in no small part, a contribution of the able leaders, teachers and parents who work in sync to ensure the very best learning environment for the heart and soul of the school – its children.

It is very heartening, therefore, as a Chairperson to see our efforts bear fruit. I am also extremely proud to state that the university is ranked among the Top 35 private universities of the country. Truly, I applaud the faculties, who have helped the students perform admirably, as well as for their able guidance and supervision, that continue to transform Kalinga and lead it onwards to new horizons.

It has indeed been an eventful year, replete with a plethora of activities and events that celebrate the spirit of learning, growth and creativity. All these events contribute to the holistic development of the students, who are able to hone their talents and channel their energy into productive, creative work. This remains our belief at Kalinga, that students can achieve their full potential only when they are given free rein to their innate talents.

Once again, I praise the entire management, staff and student body of the University for their Achievements. I pray that God showers each one of us with His divine grace and blessings!

Dr. Rajeev Kumar
Chairman

MESSAGE FROM CHANCELLOR

It is a matter of great pride for all of us that Kalinga University has made constant progress in a comparatively short time frame in conditions of growth of its physical system and academic programs. The University offers Graduate and Post graduate courses. Focused on promoting academic quality and socially relevant education, the University has made all attempts to meet up with the nationwide and global benchmarks. We have an extremely dedicated and responsive administrative and teaching staff. We offer great value to interactive learning and two-way communication technique, thereby making the learning environment genuine and reactive. We have established collaborative partnership with business, government, and other research institutions. Our endeavor and my personal commitment are to help our students to generate innovative ideas, knowledge and skills requisite for social benefits. With professors who are recognized experts in their field, it creates an environment that combines that best of pedagogy with an encouragement to ask and be curious. A key area of the learning experience is exactly what students do beyond their classrooms. Keeping this at heart, the hostel facilities in the University premises have been made with utmost care so that students can feel secured and relaxed. I request you to get ready yourself for the opportunities of the new life at our University using its educational offerings and skills in proving as well as growing areas.

I wish you all the good luck.

Dr. Sandeep Arora

Chancellor

Kalinga University

MESSAGE FROM VICE CHANCELLOR

It is a matter of immense pleasure for me to be a part of Kalinga University family as its Vice Chancellor. I take this opportunity of welcoming students coming from all parts of the world, joining the university in undergraduate as well as postgraduate programmes. Most of such students have moved away from the folds of their family and nation to another in their quest of knowledge. One needs to feel that they are just moving away from one family fold to another. Their teachers, seniors and peers, all form an extended family from whom they can look up for any guidance, support and help to move ahead in life as professionals in the study programmes they have opted. They will encourage you to challenge and stretch yourself in ways you might not yet think possible. Your degree from Kalinga-combined with the huge variety of opportunities and activities on offer here and with the experience of this vibrant city will transform your sense of your own possibilities as a highly employable person and as a responsible citizen.

Kalinga University is dedicated to nurture students who will contribute to society by advancing knowledge and imparting it to new generation of students. In a world where change is inevitable, only one thing is certain i.e Knowledge. It will surely be a key resource and will be highly sought after, within India and around the globe. Our focus is to generate the intellectual property which

will create new jobs and to educate and train people to work in fields having potential for growth of their specialized knowledge and for their ability to research, communicate and solve problems. They hope to play a central role in making your experience as productive and rewarding as possible.

Let's strive to keep excellence, integrity, accountability, respect and service in mind throughout the academic year and pursue a common goal in and outside the classroom. It will open a myriad of opportunities for all of us truly to shape the world.

Wishing you all the best for the future

Dr R Shridhar

Vice Chancellor

MESSAGE FROM REGISTRAR

At the Kalinga University, our students achieve more than a traditional university degree. They are equipped with skills that prepares them for a global future – a future that demands critical thinking, innovation and resourcefulness.

At the Kalinga University, we believe every future matters. This belief fuels the experience we offer our students. We believe in innovation as a pathway to success. Innovation propels societies forward, improves lives, spurs discovery and advances higher knowledge. Our students wish to be innovators – they want an engaging education that positions them for success. At Kalinga University, we've helped our students launch highly successful companies. Yet for us, entrepreneurship isn't just about business. It is about students from any discipline learning how

to harness the power of ideas to create opportunity for themselves and others. It's about mentorship, collaboration, discovery – and taking chances.

There's something special happening at Kalinga University. When I walk around our campus and interact with the people who study and work here, I'm always struck by how deeply our people care about what they do. Our faculty members are passionate about helping their students succeed, while maintaining excellence in research. Our students channel that passion into a determination to seize the opportunities available to them and create their own future. At Kalinga University, they find an education focused on mentorship, collaboration and discovery. Our global connections bring together students from around the world. Our network continues to spread internationally.

I'm incredibly proud to be a part of Kalinga University. I hope you are, too.

Dr. Sandeep Gandhi

Registrar

MESSAGE FROM DEAN STUDENT'S WELFARE

The Annual Report is a kaleidoscope of the various academic, co-curricular and extra- curricular activities of Kalinga University. It is designed to provide information that will assist the students in exposure of their multifaceted talents and potentials at Kalinga University.

It is a handbook describing the functioning of Kalinga University making various departments more accessible and easily approachable to students for resolving their queries and concerns. The University takes great care to enrich the teaching learning process and make it more interesting and interactive through multiple activities, educational tours, cultural activities, industrial visits, seminars and Conferences organized time to time.

The office of Dean Student's Welfare is the trusted place for the students to convey their grievances, queries regarding hostel, classroom and inconveniences related to adjustment in the new learning. Keeping in mind the security of girl students a women cell has been set up adjacent to the DSW office where girls and female faculties can register complaints regarding any kind of exploitation and harassment on which counselling is offered and respective actions are taken.

The Office of Dean Students Welfare is here to help you. You will always find a friendly face and helping hand. Best wishes to you as you begin a new academic year and new chapter of your life.

Dr Asha Ambhaikar

Dean Student's welfare

OUR VISION AND MISSION

VISION - Kalinga University aims to be an Outstanding Institution for Talent Development and Knowledge Creation for a vibrant and inclusive society

MISSION - The primary purpose of Kalinga University is to provide a learning environment in which faculty, staff and students can discover, examine critically, preserve and transmit the knowledge, wisdom and values that will ensure the survival of future generations and improve the quality of life for all. The University seeks to help students to develop an understanding and appreciation for the complex cultural and physical worlds in which they live and to realize their highest potential of intellectual, physical and human development.

To fulfil our mission, we:

1. Offer broad and balanced academic programs that are mutually reinforcing and emphasize high quality and creative instruction at the undergraduate, graduate, professional and postgraduate levels.
2. Generate new knowledge through a broad array of scholarly research and creative endeavours, which provide a foundation for dealing with the immediate and long-range needs of society.
3. Achieve leadership in each discipline; strengthen interdisciplinary studies, and pioneer new fields of learning.
4. Promote the use of new technologies in Teaching and Research.
5. Inculcate right values in students for their holistic development

NATIONAL CONFERENCE

Recent Innovations on Smart IT and Communication for Rural Development

Department of Computer Science and IT, Kalinga university, Atal Nagar Raipur conducted the National Conference on “Recent Innovation on Smart IT and Communication for rural development” jointly organized by Chhattisgarh Council of Science Technology (CGCOST) on 3rd and 4th of December, 2018. The conference inaugurated by Dr. Rajeev Kumar, Chairman of Kalinga University. On inauguration function Chief Guest Dr. Subramanyam, Director General of CGCOST, Raipur, Dr. R, Shridhar, Vice Chancellor, Dr. Sandeep Gandhi, Registrar, Dr. Asha

Ambhaikar, Convener and Dean Students Welfare, Guest of honor Dr. Pooja Sharma, Professor and Dean, IILM University, Gurgaon and Dr. Aruna Rana were present on the dais. The National Conference began with the lamp lighting and Saraswati vandana followed by the address of convener of the conference, Dr. Asha Ambhaikar, professor and Dean Students Welfare of Kalinga University. She stressed upon providing sustained livelihood to villagers by taking using the ideas of recent innovations in IT and communications. On the 1st day of Conference our Chief Guest was Dr. Subramanyam, Director General of CGCOST, Raipur, who spoke about the research areas related to the farmers and gap between urban and rural population and how engineers are able to fill that gap by using recent innovations ideas. Day one session was divided into two parts morning Technical session-1 and afternoon technical session. Participants, ranging from academicians, researchers, scientists to industries presented their papers in these two sessions looking at the over 200 papers received from different regions. The keynote address for the event was given by Dr. Aruna Rana and session chair was Dr. Pooja Sharma from IILM, Gurgaon.

EAIE WORLD EDUCATION FAIR -2018

Universities from all over the World gathered at Geneva Switzerland to explore Summer Programs, Student Exchange, Faculty Exchange, Twinning programs and Joint Research Programs . Mr. Sibi George, Honorable Indian Ambassador to Switzerland inaugurated Indian Pavilion.

And finally for university it was total 10 prizes

EDUCATIONAL TOUR BY DEPARTMENT OF APPLIED SCIENCE

SHIMLA, MANALI AND KULLU

Kalinga University, Naya Raipur provides best opportunity of Educational Tour for Faculties and students. In this context the **Applied Science Department** visited places of natural beauty in Shimla. This visit was very valuable and knowledgeable for students.

A VISIT TO SCIENCE CENTRE RAIPUR

The students of M. Sc. (Physics, Chemistry & Maths) and B. Sc. (PCM) of Kalinga University are visited at Science Center, Raipur (C.G.) on 10 Oct 2018 along with the supervision of professors Dr. R. P. Patel, Dr. A. K. Diwakar and Alope Verma. Total student were 70 and they interacted with the Director General of Science Center Dr. Bhatt. The students inquired and share the knowledge with the Director General, who appreciated and motivated the students

TRIP TO SIRPUR AND TURTURIYA

Students were accompanied for one day picnic tour to a place near Sirpur & Turturia is an important place for religious activity and its geographical location. the Sirpur Group of Monuments consisting of Buddhist, Hindu and Jain temples and monasteries. These are dated from the 5th to 12th century. Some of these were visited in 1872 by Cunningham, who published his findings about the Laxman temple and its interesting carvings. Recent excavations have uncovered 12 Buddhist Viharas, 1 Jain Vihara, monolithic statues of Buddha and Mahavira, 2 Shiva temples and 5 Vishnu temples, underground granary market and a sixth century 'snaankund' (public bath).

DEPARTMENT OF INTERIOR DESIGNING

JAIPUR, JAISALMER, JODHPUR, RAJASTHAN TRIP

Educational tour to Rajasthan was conducted for the students of B.sc Interior Designing. Students visited City Palace, Jantar Mantar, Birla Temple, Ajmer Fort and Baapu Bazaar (street shopping). Students visited Jaisalmer Fort, Patwa Haweli, Haunted Kuldhara Village and explore dessert safari and camel ride. Students visited the factory of Bhandari furniture expo where they learnt about furniture processing, furniture designing and crafting and preservation.

DEPARTMENT OF LAW

STUDY TOUR CONDUCTED BY DEPARTMENT OF LAW

DELHI, SHIMLA, MANALI JANUARY 24- 31, 2019

The chief aim of the trip was to make the students visit Supreme Court of India and Indian Law Institute. The particular aim of visiting Supreme Court was to make the students experience the practical court session in the Court of the Honorable Chief Justice of India Justice Ranjan Gogoi. There the students saw the live court session from the point of initiation till the end of a one day proceeding. The students noted down the process of proceedings and also witnessed the court craft.

The purpose of visiting ILI was to show the students the research process of Law discipline. There the students interacted with Dr. Anurag Sinha (Director, ILI) and got acquainted with the institute. Dr. Sinha groomed them regarding research and also counseled them regarding careers after graduation. Then the students visited the library where they went through the research journals and came to know the process of Socio Legal Research.

DEPARTMENT OF ARTS AND HUMANITIES
EDUCATIONAL VISIT TO RAJASTHAN

Students of Arts and humanities Department visited “**Birla Institute of Science & Technology Research Centre Jaipur**”, Rajasthan. This visit was very valuable and knowledgeable for our students.

Students came to know about the significance of the “**Birla Institute of Science & Technology Research Centre**” Jaipur, Rajasthan which was established in realization of the dream of visionary industrialist **Sri Mohan Birla** to foster and promote Science and Technology. The institute has grown with time and is now poised to emerge as an important centre cultivating science and technology.

Educational Visit to Narsinghnath, Odisha

Students of Kalinga University, Department of Arts and Humanities went for a one day educational visit to Nrusinghnath Temple and Cave at Nrusinghnath, Orissa on 17 November 2018. 40 students were accompanied by 4 teachers for this trip. Students were informed by guide regarding historical importance of the temple and cave. Sri Nrusinghnath, the great temple of Odisha in India, is situated at the foot hills of Gandhamardhan Hill near Paikmal, Bargarh. The King of Patnagarh, Baijal Singh Dev, laid the foundation of this historic temple in 1313 A.D. It is only 45 feet in height, divided into two parts: the first being the seat of the Lord Nrusinghnath, the second allotted to Jagamohan (antechamber having 3 gates and each supported by 4 pillars. The tour was very informative, educative and the same time very entertaining and elevating for the students. The trip was supervised by the young and vibrant discoveries of Kalinga University, **Mr. Chandan Kumar Assistant Professor of History, Ms. Nisha Bind, Assistant Professor of Political science, Ms. Anurima Das, Asst. Prof of English, Ms. Khushbu Singh.**

Industrial Visit Department of Mass Communication

On the eve of women's day 2019, the students of Mass Communication and Journalism of Kalinga University visited the studio of INH news. INH news has well equipped studios, news room and news production section.

It was a remarkable tour of whole studio, including news room, chroma studio to PCR and MCR room. Anchor Pritha Shukla explained each and everything the procedure of making a anchors package from the raw news material. She guided each student and gave plentiful of information from making of bulletin to whole processes in a news room. She also inspired and motivated students to become anchor or any part of any news making process.

It was altogether a good exposure for students where they learnt and saw the technicalities, understood the processes one has to go through while working in a news organization. Later students cleared their doubt in the conferencing room. As it was the eve of women's day so they got the chance to see live debate on the topic "Women Empowerment in Urban Area." The students were accompanied by Mr. Gulshan Kumar, Assistant Professor, Journalism and Mass Communication.

Department of Physics

Pune Educational Tour

Students of M. Sc. Physics have gone to Pune for an academic excursion from January 28, 2019, to February 02, 2019. This trip was enjoyed by the students as well and they got an opportunity to see various advanced institutions. They visited SBP, Pune University, shaniwarwada fort, IUCAA, ISRO and Mapro Fruit Processing Institute.

DEPARTMENT OF BIOTECHNOLOGY

8 DAY (27 JAN- 3 FEB 2019) EDUCATIONAL VISIT FOR RAJASTHAN STATE

Students of Biotechnology department, Kalinga University visited “**Birla Institute of Science & Technology Research Centre Jaipur**”, Rajasthan. This visit was very valuable and knowledgeable for our students

Dr. P. Ghosh (Biotechnology Scientist) introduced about his project and dissertation areas for students. These areas are Enzymology, Microbial Taxonomy, Industrial Biotechnology, Bioprocess Engineering, Genomic & Proteomics, Bioinformatics, Molecular Biology, Plant

Tissue Culture Technique and Microbiology. He enlightened the students about training programs run by time to time session wise i.e. very important for our student in future.

Computer Science Department

TRIP TO SHIMLA MANALI

Students of Computer Science department enjoyed a trip to Shimla , Kufri, Manali to refresh themselves

DEPARTMENT OF ZOOLOGY

STUDY TOUR

Students of Kalinga University visited CPCB (Central Pollution Control Board) Office for air and water pollution laborites. They also visited Rose garden for observing 17 thousand species of roses, Rock garden for better understanding of solid waste management process. At Sukhna lake Winter migratory birds were seen by students for around two hours. Species observed during the two hours: Northern Shoveler, Pintail, Cormorant, Darter, Heron etc. Lot many species were sighted like squirrel, peacock etc

Department of Pharmacy – Industrial visit **Students Met CEO of Patanjali Food and Herbal Park, Haridwar,** **Uttarakhand**

It was a great opportunity for the students and the guide teachers as well to visit Patanjali Research Institute and Patanjali Food and Herbal Park.

Students visited the industry which helped them to club the imaginations which they made during their studies in the university with the practical form knowledge in which they came to know various updates and pictures of the new age manufacturing.

In conjunction with the industrial visit the trip was so adventurous with trekking, river rafting and visiting the peaks of himalayan hills at Nainital, Bhimtal, Rishikesh and Haridwar.

Department of Pharmacy, Visit Report 10th January 2019

D.Pharmacy 1st & 2nd Year students of Faculty of Pharmacy, Kalinga University, Raipur visited Gangrel Dam, Dhamtari under the supervision of Mr. Dinesh kumar Sharma, Mr. Tarun Patel, assistant professor, faculty of pharmacy and Ms. Pooja Chandrakar, admin department kalinga university, on 10. **“Gangrel Dam**, also known as the **R.S. Sagar Dam**, It is built across the Mahanadi River. It is located in Dhamtari district, and about 90 km from Raipur. It is the longest dam in Chhattisgarh.

Educational visit of Kalinga Pharmacy Students

B. Pharm 6th sem students of Faculty of Pharmacy, Kalinga University, Raipur visited Paawan herbal, Ayurvedic health house, Tifra, Bilaspur (C. G.) on 10.04.2019. During this visit students learned the principle and working of industry and solve their queries. Mr. Anirudh Agrawal explained about the production and global marketing of products. In Paawan Herbal, students get the information regarding Tablet Section like Grinding, Mixing and Punching of Tablets. In a Liquid section, students learned filling of bottle, Packaging and Labeling of bottle techniques.

Students also visit small herbal nursery developed by Paawan Herbal Mr. Chandrashekhar Sahu, Faculty as coordinator and Dr. Anand Mahalwar, Principal, Faculty of Pharmacy, Kalinga University played important role for successful completion of industrial educational visit.

Educational visit report 25th October, 2018 (Pharmacy Department)

B.Pharm 5th sem students of Faculty of Pharmacy, Kalinga University, Raipur visited Richaria laboratory & Department of Biotechnology, Indhira Gandhi Krishi Vishwavidyalaya, Raipur and Manufacturing Unit of Parle (Ganesh Bakers) Raipur, under the supervision of Mr. Hemant Badwaik and Ms. Priyanka Patel on 25.10.2018. "Indira Gandhi Krishi Vishwavidyalaya was established in 1987 to focus on the crops and on farmer necessity. The Chhattisgarh is a rice

bowl of India and it has 22000 varieties of crop and all the germ plasm are stored in IGKV which is the largest rice Germ Plasm Conservative centre in the world. Rice is a mandatory crop in this zone so the research basically focuses on the rice crop and their varieties. Due to continuous climate changes the crops requires different type of modification and requirements in genetic level.”

Richaria laboratory have a different section such as

- 1) DNA based seed testing laboratory
- 2) Tissue culture and genetic engineering laboratory
- 3) Crop bio-fortification laboratory
- 4) Quality analysis laboratory
- 5) Marker Assisted selection laboratory
- 6) Bio-informatics laboratory
- 7) Geo informatics laboratory

The lab has special equipment glycemic index analyser which is a duplicate the condition of human gastro intestinal tract (GIT), find out glycemic index of food.
