# THE UNIVERSITY

The Kalinga University, a premier institute for teaching and research in the country is established under Chhattisgarh Private University (Establishment and Operations) Act 2005 and under section 2 (f) of UGC Act 1956.

With an elite academic experience Kalinga University pushes the boundaries of Knowledge. It offers the highest quality of academic experience to excel the conventional boundary with emphasis on originality. Our outstanding and responsive support will be actively available to the students right from the start of the transition to University life until the end of your degree.

Our academic standards are high with our glorious leafy campus which is arguably unparalleled in the country, provides a backup to you in day to day life and study, the programs of the University focus on building depth of understanding, capacity for interdisciplinary learning and research, analytical skills, critical thinking and communication in atmosphere of academic freedom and integrity.

## MESSAGE FROM CHAIRMAN

**Dear Students,**

Education is going through great changes. Enhancements in communication and technology have empowered the educational sector to broaden its branches in providing education to a wider selection of students around the world. The same immediate change within learning system around the world, change in the functions of students and instructors, and creating a shift in culture from industrialization towards an information based population. A perfect education atmosphere can be visualized only once when both technology and education will be looked indispensable to one another. It is really a subject of great satisfaction that people have the opportunity to balance between technology and education. Kalinga University is determined for promoting quality education through all natural teaching, learning & research. Our idea is to achieve the best through transparency, democratic beliefs, collateral, accountability and convenience within an atmosphere that fosters intellectual independence. It is really our frequent endeavor to positively ingrain these principles into the day to day working of the University.

I wish all the best to all.

**Dr. Rajeev Kumar**

**Chairman**

## MESSAGE FROM CHANCELLOR

**Dear Readers,**

It is really a subject of satisfaction for all of us that Kalinga University has made constant progress in a short time frame in conditions of growth of its physical system and academic programs. The University offers graduate and post graduate courses as well as doctoral level Ph.D. programs. Focused on promoting academic quality and socially relevant education, the University has made all attempts to meet up with the nationwide and global benchmarks. We have an extremely dedicated and responsive administrative and teaching staff. We offer great value to interactive learning and two-way communication technique thereby making the learning environment genuine and reactive, with professors who are recognized experts in their field. It creates an environment that combines that best of pedagogy with an encouragement to ask and be curious. A key area of the learning experience is exactly what students do beyond their classrooms. Keeping this at heart, the hostel facilities in the University premises have been made with utmost care so that students can feel secured and relaxed. I request you to get ready yourself for the opportunities of the new life at our University using its educational offerings and skills in proving as well as growing areas.

I wish you all the good luck.

**Dr. Sandeep Arora**

**Chancellor**

## MESSAGE FROM REGISTRAR

**Dear Readers,**

2015-16 was an important year for Kalinga University as we commenced to bestow silhouette to the University's multidisciplinary and interdisciplinary configuration. We supplemented new degree programs and also started new graduate programs. Aligned with our mission to offer quality education not only to our students but we focus on Faculty Development also. We will persist to set our unsurpassed efforts to place the University on the pathway of brilliance with the aspiration of becoming the leading research-led university in the state and among the best in the country.

Proceeding ahead, the forth coming years will be crucial as we will introduce new departments in the existing system and launch new programs like B.Ed. and B.P.Ed. The University will also be establishing a Skill Development Cell for the students in developing the skills and strategies they need to become confident, self-governing and dynamic learners.

The coming year will also see the main building, central Library building fully functional and new international hostel blocks ready for the admissions of 2017-18. As Kalinga University gears towards realizing its goal of a research to a multi-disciplinary University, the commitment to create and disseminate knowledge is a vital part of our journey. We have set our aim elevated and look forward to our journey and setting new milestones on our route.

Best Wishes.

## **ONLY TWENTY MINUTES OF HEARTFUL MEDITATION ALLEVIATES STRESS**

Kalinga University extended its steps towards a very powerful and soul touching session of meditation organized by Sehaj Marg Spirituality Foundation on 11<sup>th</sup> -13<sup>th</sup> January 2016 at its campus. Mr. Dinesh Agrawal, Director, Heera Group and Mr. Vishnu Upadhyay, Director, Heartfulness Foundation encouraged the students & the staff members to meditate regularly to live a stress free life and to improve their ability to learn and work efficiently.

Heartfulness Meditation has become an increasingly popular way to improve the mental and physical health of the people. Three days session encouraged all to meditate so as to increase their concentration level and to reduce the stress. After meditation students and all staff members felt very energetic and it lasts for full day.

Meditation allows us to expand our sense of who we are, beyond our fears and self judgment. It awakens our capacity for insight and wisdom to explore the relationship between our mind and body.

The meditation mentor focused on the college students to improve their abilities for studies and in job prospects. Regular meditation may increase smartness and save from aging. They suggested that sometime spent getting in tune with the flow of one's breathing can compliment a regimen of pills diet and exercise. Meditation is being prescribed for stress, anxiety, infertility, skin diseases and other ailments.

Kalinga University is increasingly following for the allure of meditation, too, offering free classes. Meditation enhances the qualities that institute needs most from their knowledgeable staff members; increased Brain-wave activity, enhanced intuition, better concentration and the alleviation of the kinds of aches and pains that plague the employees most.

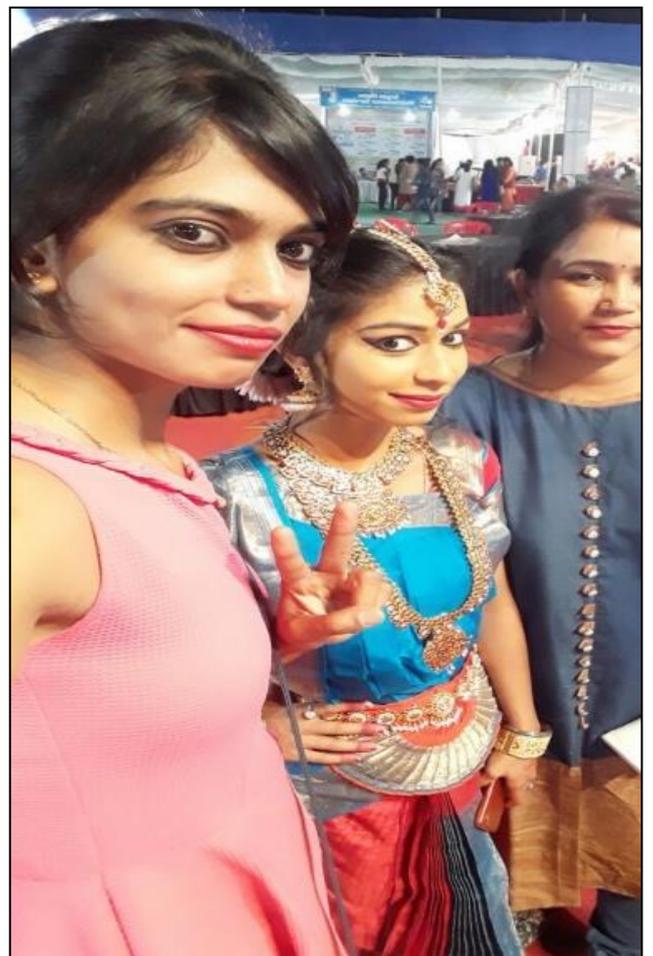

Heartfelt meditation produces personal experiences that are not readily interpretable by scientists who want to study its psychiatric benefits in the brain. "Seduction of Spirit has been one of our most popular retreats for many years allowing people to step away from life's daily demands and gain fresh

perspective on who they are, what they really want, and how they want to use their unique gifts and talents to

contribute to their families and to the world". It was an unforgettable and life experience.
