THE UNIVERSITY

The Kalinga University, a premier institute for teaching and research in the country is established under Chhattisgarh Private University (Establishment and Operations) Act 2005 and under section 2 (f) of UGC Act 1956.

With an elite academic experience Kalinga University pushes the boundaries of Knowledge. It offers the highest quality of academic experience to excel the conventional boundary with emphasis on originality. Our outstanding and responsive support will be actively available to the students right from the start of the transition to University life until the end of your degree.

Our academic standards are high with our glorious leafy campus which is arguably unparalleled in the country, provides a backup to you in day to day life and study, the programs of the University focus on building depth of understanding, capacity for interdisciplinary learning and research, analytical skills, critical thinking and communication in atmosphere of academic freedom and integrity.

MESSAGE FROM CHAIRMAN

Dear Students,

I welcome you to Kalinga University with pride. It is an honour and a privilege to be the Chairman of Kalinga University that stands for excellence and continuously sets the highest standards, the university that is an alma mater which all alumni look back to with fond memories. Catering to more than 5000 students, Kalinga University is considered among the best and most sought institutions for higher education in Chhattisgarh. We feel proud to provide quality education by equipping our students with skills, confidence and a positive approach with an all round development. The college is relentlessly striving to perceive and maintain academic excellence at the same time encourages the students to participate in various co-curricular and extra-curricular activities. An amiable environment at Kalinga nurtures creativity, passion, resilience and leadership qualities among students for development of versatile personality. Kalinga University offers all the degree and professional courses.

Progress of an institute depends mainly on performance of the students in academics, sports and cultural activities along with maintaining high values and ethics. I am proud to say that our students are doing excellent in academics, sports and cultural activities with high values and ethics. Our governing body comprises of Educationists, Industrialists, Businessman and achievers in their chosen fields. The management is highly supportive for the overall development of the students and faculty to take keen interest and stands behind any such endeavour. Our teachers are committed and dedicated for the development of the institution by imparting their knowledge and play the role of facilitator as well as role model to our students. The members of the non teaching staff are highly dedicated with total commitment towards achievement of our mission and goals.

The motto of the university is truly inspiring to our students to realize their dreams and achieve their goals which otherwise seems impossible. At Kalinga students and staff truly believe that nothing is impossible and that is the secret of Kalinga's success.

My good wishes to all.

Dr. Rajeev Kumar

Chairman

MESSAGE FROM CHANCELLOR

It is really a subject of satisfaction for all of us that Kalinga University has made constant progress in a comparatively short time frame in conditions of growth of its physical system and academic programs. The University offers graduate and post graduate courses. Focused on promoting academic quality and socially relevant education, the University has made all attempts to meet up with the nationwide and global benchmarks. We have an extremely dedicated and responsive administrative and teaching staff. We offer great value to interactive learning and two-way communication technique, thereby making the learning environment genuine and reactive. With professors who are recognized experts in their field, it creates an environment that combines that best of pedagogy with an encouragement to ask and be curious. A key area of the learning experience is exactly what students do beyond their classrooms. Keeping this at heart, the hostel facilities in the University premises have been made with utmost care so that students can feel secured and relaxed. I request you to get ready yourself for the opportunities of the new life at our University using its educational offerings and skills in proving as well as growing areas.

I wish you all the good luck.

Dr. Sandeep Arora

Chancellor

MESSAGE FROM REGISTRAR

Dear Readers,

2016-17 was an important year for Kalinga University as we commenced to bestow silhouette to the University's multidisciplinary and interdisciplinary configuration. We supplemented new degree programs and also started new graduate programs. Aligned with our mission to offer quality education not only to our students but we focus on Faculty Development also. We will persist to set our unsurpassed efforts to place the University on the pathway of brilliance with the aspiration of becoming the leading research-led university in the state and among the best in the country.

Proceeding ahead, the forth coming years will be crucial as we will introduce new departments in the existing system. The University will also be establishing a Skill Development Cell for the students in developing the skills and strategies they need to become confident, self-governing and dynamic learners.

The coming year will also see the main building, central Library building fully functional and new international hostel blocks ready for the admissions of 2017-18. As Kalinga University gears towards realizing its goal of a research to a multi-disciplinary University, the commitment to create and disseminate knowledge is a vital part of our journey. We have set our aim elevated and look forward to our journey and setting new milestones on our route.

Best Wishes.

Dr. Sandeep Gandhi

Registrar

VISION AND MISSION

Vision

Kalinga University aims to be an outstanding institution for Talent Development and Knowledge Creation for a vibrant and inclusive society

Mission

The primary purpose of Kalinga University is to provide a learning environment in which faculty, staff and students can discover, examine critically, preserve and transmit the knowledge, wisdom and values that will ensure the survival of future generations and improve the quality of life for all. The University seeks to help students to develop an understanding and appreciation for the complex cultural and physical worlds in which they live and to realize their highest potential of intellectual, physical and human development.

To fulfil our mission, we:

1. Offer broad and balanced academic programs that are mutually reinforcing and emphasize high quality and creative instruction at the undergraduate, graduate, professional and postgraduate levels.
2. Generate new knowledge through a broad array of scholarly research and creative endeavours, which provide a foundation for dealing with the immediate and long-range needs of society.
3. Achieve leadership in each discipline; strengthen interdisciplinary studies, and pioneer new fields of learning.
4. Promote the use of new technologies in Teaching and Research.
5. Inculcate right values in students for their holistic development.

Trainings and Workshops

‘NATIONAL STUDENT RESEARCH CONVENTION’ AT CHIDAMBARAM AND CHENNAI

It was a golden opportunity for Kalinga University to be a part of National Student Research Convention organized by Association of Indian Universities (AIU) at Annamalai University, Chidambaram and Chennai from 27th to 29th March 2017. In this research convention total 75 teams participated. There were five fields in this convention– Agriculture, Engineering, Social, Health and Basic Science. The teams came from five zones – North, South, East, West and Central Zone. 15 teams from each zone in five fields were selected for this convention that is total 75 teams. Kalinga University participated in Research Convention with Engineering Science from Central Zone. The project was ‘Road Wheel Water Car.’ The research convention was in three phase – Poster Fixing

- 1) Podium Presentation
- 2) Project Demonstration

First day poster fixing work was completed then second day podium presentation was done. The project demonstration was presented by Saurav and Devendra . Research convention was excellent and there were lots of new projects presented in this convention. Overall convention was very good.

In Annamalai University the coordinators were very energetic. They coordinated the convention very well. The south Indian food was excellent. Accommodation was given to the students by the University. And for the mentors guest house was made available. Apart from this convention we also participated in cultural program presented by students of the Annamalai University.

Inaugural Function

All Participants

PARTICIPATION IN TECHNO-MANAGEMENT FESTIVAL AT IIT GUWAHATI, ASSAM

Kalinga University got an opportunity to be a part of Tech-niche, the Annual Techno-Management Festival organized by Students Union at IIT Guwahati, Assam from 1st to 4th September 2016. In this event four students participated from our Kalinga University. There were different fields in Robotics Competition– Line Follower, Robo Go Cart, Robo Soccer League, Robo Race, Robo Sumo, Deep in Blue, Robo War. Kalinga University participated in Robo War event. Our students

Adarsh Sharma (EEE VI Sem.), Ankur Mukherjee, (B. Tech. Mech. VI Sem.}, Prashant Sonwani, (B. Tech. Mech. VI Sem.}, Aveneendra Singh, (B. Tech. Mech. VI Sem.} got 3rd prize in Robo War. Our BOT weight was 53Kg. We also used a weapon in front of BOT which rotated 3000 rpm so that opposition BOT could damage. Total cost of making this BOT was Rs. 2.5 Lakh. And this amount was sponsored by Kalinga University.

ROLE OF BIOTECHNOLOGY - REFRESHER COURSE IN KOLKATA

Kalinga University was invited to be a part of long refresher course held on 17th– 30th May, 2017 at Jadhavpur University, Kolkata organized by QIP Nodal Cell, Department of Pharmaceutical Technology. Kalinga University provides many beneficial courses to the individual Department for improving its education system. Dr. Sushma Dubey, Asst Professor, Department of Biotechnology was given the opportunity to participate in this program. The objective of this long refresher course was to help the participants acquire the modern concepts, policies and practices of project in Academics as well as Research, new skills of managing research work, explore tested and innovative strategies for improving the Innovations for welfare of human being, help to know new ideas and innovative updates. Highly qualified practitioners presented practical methods and best practices in their presentations on different topics for the programme.

After successful participation in all the sessions of the refresher course certificates were presented to all the participants by QIP Nodal Cell.

SUMMIT ON ENTREPRENEURSHIP AT IIT MUMBAI

Asia's 2nd largest Entrepreneur Summit was organized in Mumbai on 30th & 31st January 2016 to win cheque of Rs. 15 Lakhs in 15 wins.

In this students of Chhattisgarh had also participated. Team of 80 students left for IIT Mumbai. Students shared their business ideas there. The most interesting part of this competition was 15 Win Millionaires in 5 Wins. Students had to tell about their ideas to the experts. After that experts had put questions based on student's idea in the next

5 min. If the experts find the idea interesting then in the last 5 min. students will be awarded with a cheque of Rs. 15 lakh on the spot so that he/she can set up his/her business. Many Engineering and Management students of Raipur city took part in this competition. Guests and Judges were from very big and popular companies like HTC, Oyo Room, etc. In this event many Business Personalities had shared their success stories.

VNIT & AXIS 2016 AT NAGPUR

Kalinga University got a chance to be a part of VNIT & AXIS 2016 organized by Students Union at Visvesvaraya National Institute of Technology, Nagpur from 23rd to 25th September 2016. In this event four students had participated from Kalinga University. There were different fields in Robotics

Competition– Line Follower, Robo Go Cart, Robo Soccer League, Robo Race, Robo Sumo, Deep in Blue, Robo War. Our University participated in Robo War event. Our students Adarsh Sharma (EEE VI Sem.), Ankur Mukherjee, (B. Tech. Mech. VI Sem.), Prashant Sonwani, (B. Tech. Mech. VI

Sem.}, Aveneendra Singh, (B. Tech. Mech. VI
Sem.) got 1st prize in Robo War.

Our BOT weight was 53 Kg. We also used a
weapon in front of BOT which rotated 3000 rpm so

that opposition BOT could be damaged. Total cost
of making this BOT was Rs. 2.5 Lakh. And this
amount was sponsored by Kalinga University.

ACTIVITY REPORT

Title	Science Experiment & Robotics workshop and Education Fair
Venue	Nepal
Date	12th May to 28th May 2017
Team Member	Mr. Randhir Kumar – Kalinga Staff Mr. Pradeep Kumar – Nepal Office
Participants	145 Students – RETI Institute, Butwal 236 Students – VIE Institute, Butwal 231 Students – White House Bridge Course, Butwal 91 Students – Intel Bridge Course, Pokhara 107 Students – Shree Ram Janki Higher Sec. School, Janakpur 18 Students – Perfect Solution Point, Janakpur 25 Students – Microsoft Info Tech, Janakpur 124 Students – Mass Institute, Rajbiraj 115 Students – Edu Mark, Biratnagar 64 Students – St. Xavier’s Academy, Biratnagar 50 Students – Education Fair, Biratnagar 1206 Students – Total Students

Report Overview:

It was golden opportunity for us to be a part of Education Fair organized in Biratnagar. In this fair we have provided information about Kalinga University to the students, parents and visitors. They had filled a registration form and they got the information regarding University. We had also distributed flyer those who came to Kalinga University stall. And we had organized Science Experiment and Robotics workshop in different schools in different locations of Nepal. Actually in Nepal there is a gap of 4 months after 10th exam to get admission in 11th class, so there is bridge course run by various institute in which students get admission and continue their study. So we focus these students for getting admission in our Courses. They were highly excited and curious to know more

about Robot and Robotic Techniques. There were lot of enquiries regarding different-different courses, Fee Structure, History of Kalinga University, approval of Kalinga University and so on. Apart from this activity the data base was also managed.

ACTIVITY REPORT

Title	Education Fair
Venue	Nepal
Date	22nd Feb. to 10th March 2017
Team Member	Mr. Randhir Kumar – Kalinga Staff Mr. Pradeep Kumar – Nepal Office
Participants	150 Students – DIGICOM CAN Info – Tech. 2017, Butwal 750 Students – Educare INDIAN Education Fair 2017, Butwal 350 Students – INDIA EDUCATION EXPO 2017, Kathmandu

Report overview:

It was golden opportunity for us to be a part of Education Fair organized in Butwal and Kathmandu, Nepal. Two fair in Butwal and one fair in Kathmandu, Nepal. In this fair we have provided information about Kalinga University, demonstrated and explained about robotic vehicles among participating students, parents and visitors. In this demonstration we interacted with students and

shared the features and technique used in this Robotics vehicle. They were highly excited and curious to know more about Robot and Robotic Techniques. The students of class 9th, 10th, 11th, 12th and graduation had participated in the fair. They filled a registration form and they had got the information regarding University and Robotics Vehicle. We had provided diary to the visitors. We

had also distributed flyer to those who came to Kalinga University stall. There were lot of enquiries regarding different-different courses, Fee Structure, History of Kalinga University, approval of Kalinga University and so on.

Following are the activities we did there:

1. Robotics.
2. Counselling & Database collection.
3. Flyer & Kit Distribution.

Apart from this activity I also have given the training of live development project and assembling of robotics vehicle to the staff member of Nepal office. I also managed the Data base.

Robotic Demonstration

Culture of Nepal at Kalinga Stall

Registration form filled by the students

KALINGA UNIVERSITY PARTICIPATED IN AN EDUCATION FAIR AT NEPAL

It was a golden opportunity for Kalinga University to be a part of Education Fair organized in Butwal and Kathmandu, Nepal from 22nd February to 10th March 2017. Two fairs were organised in Butwal and Kathmandu. Information was provided regarding Kalinga University with the demonstration and explanation of robotic vehicles to the participating students, parents and visitors. During this demonstration process Mr Randheer Kumar, Faculty of Electronics Dept. and Mr. Pradeep Kumar, Kalinga University interacted with students and shared the features and techniques used in this robotic vehicles. Spectators were highly excited and curious to know more about Robots and Robotic techniques.

The students of class 9th, 10th, 11th, 12th and graduation had participated in the fair. They had filled a registration form and they got the information regarding University and Robotic Vehicles. Flyers, diaries and kits were distributed among people who came to the Stall of Kalinga University. There were lot of enquiries regarding different courses, fees structure, background of Kalinga University, approval of Kalinga University and so on. Some activities were also done like presentation on robotic vehicles, counselling and database collection, etc. Apart from this, a training program on life skill development project was given as well as assembling of robotic vehicles was taught.

KALINGA ORGANIZES ‘SCIENCE EXPERIMENT AND ROBOTICS WORKSHOP’

Kalinga University has conducted three ‘Science Experiment and Robotics Workshop’ from 24th to 26th November 2016 at three different schools, two schools of Samastipur and one school of Patna. The students of class 10th, 11th and 12th of Techno Mission School and Central Public School, Samastipur and Gyanodaya Gurukul School, Patna have participated in this workshop.

It was a golden opportunity for us to do such kinds of workshops in these schools. In these workshops we had demonstrated different science projects,

made live projects, and showed some videos related to science projects. Students made live projects of Automatic Street Light.

Students were very happy to participate in the workshop and school management appreciated this effort. Overall it was good session.

GRAND WORKING SCIENCE MODEL EXHIBITION AT KALINGA UNIVERSITY

Kalinga University organized a **Science Working Model Competition** in its Academic Complex at Naya Raipur on 21st October, 2016. This event was implemented in a grand scale. This program was intended to sow the seeds of new inventions and innovations on the fertile minds of students as well as teachers to disseminate their existing knowledge. Working Models on various themes related to science were prepared by the students of renowned school of Chhattisgarh. The program was inaugurated by Dr. Mukund Humbarde, Director General of Chhattisgarh Council of Science and Technology.

There was constellation of intellectuals in the inauguration program. Dr. Humbarde shared his valuable words with the students. Engineer B.N.

Rao, Director of All India Ramanujan Maths Club, Motivator and Trainer discussed on the importance and significance of arranging such types of events. He told that the great significance of exhibition is that it fosters acquisition of different process skill leading to the development of multiple faculties of intelligence in a social context. In such a point of view, it shares very strong theoretical bases of scientific attitude and multiple intelligence. Various students from high school and higher secondary level participated in this grand exhibition.

Krishna Public School, Bhilai won the first prize with Trophy, Mementos and Rs. 10,000/- cash prize, second prize Rs. 7000/- went to Delhi Public School, Rajnandgaon and third prize Rs. 5000/- went to Kanger Valley Academy, Raipur for their outstanding models.

All participants were given T-shirts of Kalinga University and Certificates of participation. All the working models were judged by a panel juries. Engineer B. N. Rao, Dr. Kavita Sharma, H.O.D. of Biotechnology Department, Government Girls College, Devendra Nagar and Dr. Anand Mahalwar, Chief Proctor of Kalinga University, Naya Raipur. Dr. Sandeep Gandhi Registrar of Kalinga University advised the student that science education should be more experimental than mere conventional talk and chalk. There are different strategies to change the teaching learning approach into an experimental one.

All the participants including the students of the University, supporting staff and teachers enjoyed that colourful ambience in a mood of learning something different.

The program was concluded with the prize giving ceremony. At the end vote of thanks was given by Dr. Vivek Inder Kochar, Academic Head of Kalinga University.

The program become fruitful with the ardent support of Dr. Shilpi Shrivastava, Applied Science Department, Dr. Sushma Dubey, Biotechnology Department, Mr. Alope Verma, Assistant Professor of Physics and Mrs. Shraddha Chaudhary, Assistant Professor of Botany .

ROAD SAFETY IS A STATE OF MIND, ACCIDENT IS AN ABSENCE OF MIND

Kalinga University organized a workshop on 'Traffic Awareness' on 20th July 2016 for the students. More than 500 students participated in this workshop. Mr. T. K. Bhoi and Mr. Rajesh Thakur were the Guest Speaker on the occasion. The number of road accidents is increasing every day, keeping this in mind Kalinga University made an important attempt to make the staff members, students and bus drivers aware of the road safety rules and regulations.

Mr. T. K. Bhoi addressed the students and emphasized on traffic rules to be followed at traffic signals, zebra crossing. Precautions to be taken by pedestrians and by people especially children while crossing the road.

The key activities of the workshop included awareness on road safety measures and to prepare future safe drivers by inculcating good habits of following traffic rules. It was conducted to educate students about the right road safety practices so as to keep them safe while they are on roads.

The workshop also emphasized on the ill effects of not following traffic rules. The students were also shown how traffic police regulates traffic manually in the absence of red light due to power failure.

The students were also acquainted with the basic safety rule like wearing helmet, seat belt, driving within speed limits, not using mobile phones while driving, etc. The workshop was inspiring, motivational and informative. Also present during the workshop were Dr. R. Shridhar, Mr. R.K.Singh, faculty members among others.

ROBOTICS WORKSHOP IN BALODA

Kalinga University had conducted 'Science Experiment and Robotics Workshop' in **Gurukul Public School, Baloda on 3rd January 2017**. The students of class 11th and 12th participated in this workshop. It was a golden opportunity for us to do such kind of workshop in this school. In this

workshop we have demonstrated many science projects. In this

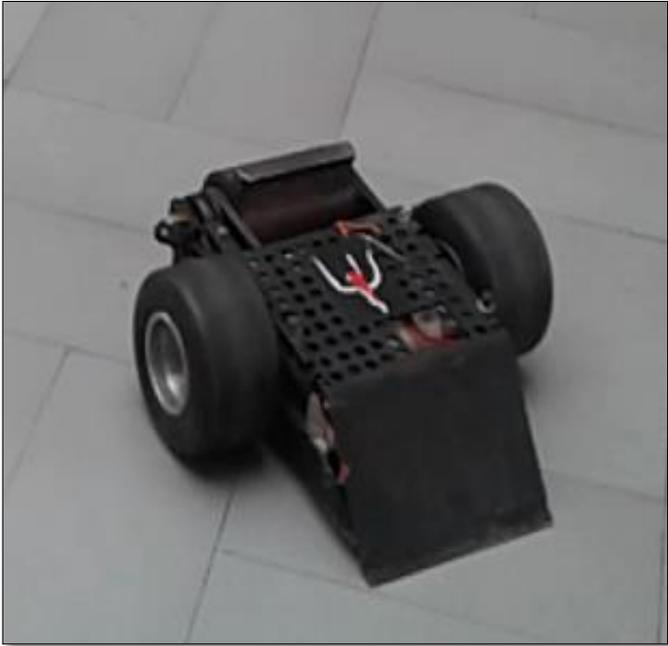

demonstration we interacted with students and shared the features and techniques used in these Robots. They were highly excited to know more about Robot and Robotics Technique. Students were very happy to participate in such kind of workshop.

School Management appreciated this effort. Overall it was an excellent experience.

KALINGA UNIVERSITY PARTICIPATED IN ROBO- BOT WORKSHOP

On 15th October 2016 a Robo-Bot – Robotics demonstration was organized by IIT, Guwahati at N.H. Goel World School, Raipur. It was a golden opportunity for us to be a part of that workshop. In this workshop Mr. Randhir Kumar of Kalinga University demonstrated and ran Robo-Bot. In this demonstration he interacted with students and shared the features and techniques used in this ROBO-BOT. Students of N.H.Goel School were highly excited and curious to know more about Robot and Robotics Technique. They were also expecting Robotics Workshop to be conducted in their campus to design and develop such powerful Robot. If it materializes then they can participate in various Science Exhibitions, Robotics Project competition and other technical competition organized by CBSE, NCERT, Government and Private Bodies.

**Team KU with ROBO-BOT ,
Principal & Teachers of N.H. Goel School**

WORKSHOP ON CONTEMPORARY MODEL MAKING

Mr. Rahul Rathor, HOD, Civil Engg. Dept. and Mr. Devesh Keshwani attended a workshop on Contemporary Model Making on 27th September 2016 along with the thirty students of the department. This workshop was conducted at Amity University, Raipur.

The training was imparted by the renowned model maker Mr. Naaz Rizvi. Out of 150 participants our five students were selected in top thirty and finally Ashutosh Bhaskar, B.Tech. Civil Sem.V stood first and Manish Yadav, B. Tech. Civil. Sem.VII got third prize.

WORKSHOP ON ‘MODERN TEACHING TECHNIQUES OF MATHEMATICS’

A day long workshop on modern Teaching Techniques of Mathematics was organized in Kalinga on 27th July 2016. This workshop was done in collaboration with District Education Office, Raipur. In this workshop around 140 people participated. Teachers of 11th and 12th from different blocks of Chhattisgarh: Arang, Dharsiwan, Mahasamund and Abhanpur were present. The head

of Indian University of Science Research Division, Dr. Rama Devi Pani attracted every one with her experience and effective research. She described the simple teaching methods to learn complex topics of mathematics. She also described the glory of the Guru. During this moment Dr. B.N. Rao, Dr. Santosh Mahajan also expressed their views.

MARKETING TRAINING

Training on marketing was conducted on 25th March 2017 in order to enhance the perspective, personality and exposure of Kalinga’s marketing

team. This training program was conducted at Seminar Hall of Kalinga.

Mrs. Fozia Usman was the key note speaker. This program developed the inner hidden abilities of the participants. Ms. Dipti Mishra was the first speaker. She conducted a psychometric test, which was performed in a close observation through which she tried to locate the fears, barriers and hurdles of one's personality and identified the key working areas.

Mrs Fozia Usman was the second speaker of the day. She deliberated her efforts towards importance of stress management, time management, gender equality and sexual harassment at work place for a 360* development of personalities of participants.

GOOD PREPARATION IN LESS TIME

A one day seminar was conducted on the topic 'How to make good preparation and read for exams'. Dr. Ajit Warwandkar gave his master mantra to the students of Kendriya Vidyalaya, Dindayal Upadhyay Nagar, Raipur. The moment was of seminar conducted by Kalinga University on the topic 'Study Habits'. Speaker of the program Dr. Warwandkar gave useful information to the students to get success in examinations. He said that students

should prepare time table and study accordingly. Dr. Warwandkar encouraged students to do meditation during intervals. For proper result in the exam, students are required to read continuously for three hours at the time of the examination. In the program, the Principal of the school Mr. S. K. Mishra, Ms. Geetu and Asst. Prof. of Kalinga University Mrs. Shraddha Choudhary and Mr. Akshat Kudesia were also present.

DELNET VISIT REPORT

Mrs. Jaishree Lawatre attended the annual DELNET meeting on April 20, 2017 at DELNET campus, Delhi. This meeting was headed by Dr. H. K. Koul & Dr. J. P.Das. Main Purpose of meeting was to impart knowledge of library updating. They had discussed about the online sources and using the technologies in developing library. They had also mentioned that the efforts must be done with respect to library software "DELPLUS", developed By "DELNET".

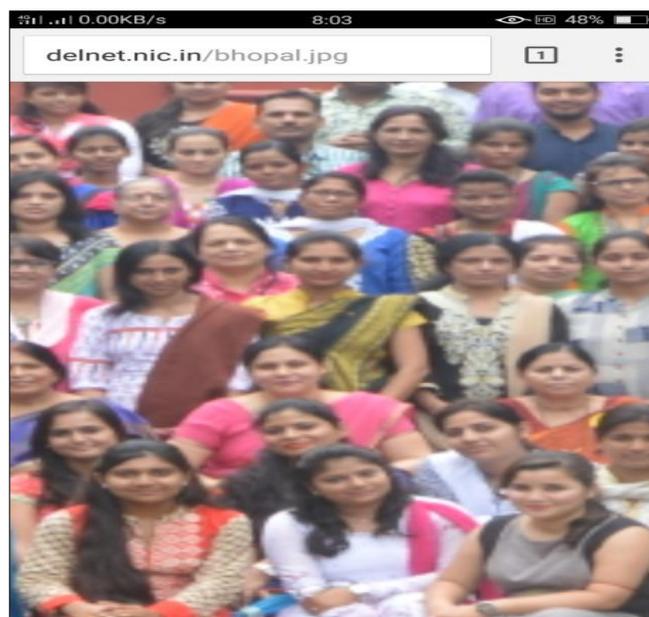

They appraised that DELNET offers software solutions to libraries for library management and

retro-conversion purposes. These software are based on MARC-21, AACR-II and LCSH standards. DELNET Software produces are created to enable libraries to automate their libraries. These software perform necessary and sufficient operations. DELNET provides DELPLUS software free of cost to the member-libraries for library automation purposes. It has Acquisition, Cataloguing, Circulation, OPAC, and Report Generation Modules and can also be integrated with Bar Code solutions. Those libraries that are interested in using DELNET software products are advised to get in touch with them.

PARTICIPATION IN DELNET RESOURCES, SERVICES & FACILITIES AND OPEN SOURCE SOFTWARE FOR LIBRARIES

One day workshop was organized by DELNET in collaboration with Sarojini Naidu Govt. Girls PG College, Bhopal , (MP). Theme of the workshop was 'DELNET Resources, Services & Facilities and Open Source Software for Libraries' on 27.08.2016. Dr. Anand Mahalwar & Mrs. Jaishree Lawatre participated in this workshop on behalf of Kalinga.

The whole workshop was taken by Dr. Sangeeta Kaul, Network Manager, DELNET, New Delhi. She basically organized this workshop to promote their library automation software and some other schemes related to the digitalization of the library. We acquired knowledge about the process of using DELNET, introduction about DELNET's free library automation software (DELNET Plus), Services which we can request from DELNET (like-loan library facility, need of any special article, books, etc). Rest of the part was promotion of DELNET membership, their software packages, etc.

CAREER COUNSELING SEMINAR AT KALINGA UNIVERSITY

Around 65 student of Jawahar Navodaya Vidyalaya, Saraipali visited campus of Kalinga. A career

counselling seminar was organized for the students. Assistant Professor of Biotechnology Department

Mrs. Shraddha Choudhary gave a presentation on 'Careers in Biotechnology. She gave a brief introduction of Biotechnology subject and explained the future technology and vast job opportunities in it.

Registrar of Kalinga University Dr. Sandeep Gandhi and other Professors and teachers blessed the students with their valuable words. Vice Principal of JNV Mrs. Geeta was honoured by the Registrar of Kalinga University with a shawl and souvenir. She said that with such an event students learn about new career options. Narendra Kumar Kulmita, while expressing his blessings, told it very informative.

BIOTECHNOLOGY WORKSHOP

Kalinga University, Raipur has conducted two days Biotechnology workshop on 09th & 10th February 2017 in our campus for students. The workshop was organized by Rupture Biotech, Bhopal. Mr. Apurva Khare, Research Associate and his team had given lectures on the following topics like Scope and approach in herbal drugs, Nano-Biotechnology seminar and its uses, etc. The workshop laboratory session like Green synthesis of Nano particles, Antimicrobial testing of herbal extracts by disc diffusion method and well punch method and Immobilization of yeast cells in Sodium Alginate were very informative and knowledgeable.

‘The Industrial Biotechnology and its Market Research Areas’ lecture was given by Dr. R. Shridhar Iyenger, Associate Professor. His session

was very interesting and effective for all participants.

The workshop laboratory session was very interesting and students learnt about making of Silver Green Synthesis of Nano Particles, Antimicrobial testing of herbal extracts by disc diffusion method and well punch method and immobilization of yeast cells in Sodium Alginate. The students had done workshop laboratory very sincerely. The workshop was very knowledgeable for all the students and teachers.

WORKSHOP ON MEDIUM OF EXPRESSION

One day workshop on Medium of Expression was organized on behalf of Kalinga and PHD Chamber of Commerce on 23rd August 2016. Over 150 people

participated in the workshop held at University campus. In this students, Businessmen and Bloggers were present. Chief Guest of the program was Mr.

Ajay Pandey, Commissioners of Excise and Custom Dept. and was chaired by Mr. Shashank Rastogi, Chairman, PHD Chamber of Commerce. Apart from

Guests, Head of University's Management and Commerce Dept. Dr. R. S. Shridhar, presented his views and distributed certificates to everyone.

WORKSHOP IN COLUMBIA INSTITUTE ON 'BE BOLD FOR CREATIVITY'

A workshop on 'Creativity Edge Life Skill' theme was jointly organized by the Creative Mind Society and the Columbia Group of Institutes. In this workshop motivator Dr. Ajit Warwandkar, Maths Expert Er. B. N. Rao, founder of CSVTU Dr. B. K. Sthapak and Registrar of Kalinga University Dr. Sandeep Gandhi shared their ideas. Dr. Warwandkar said that if we think that we have a victory ahead of fear, then it will be a matter of rhetoric, because how will you win if you have fear? Therefore it is important to be fearless. By increasing self-

confidence, you increase your creativity and you can easily reach the destination. Creativity is all within; we just need to bring it out. At the same time, Engineer Rao, changing the subject, said that if you are self evaluable, you can bring out a hidden talent. Apart from this there were several motivational speeches. Meanwhile other members of the creative society, including Mr. Kishor Jadwani, Director of Creative Society were also present.

TRAINING CONDUCTED BY TRAFFIC POLICE FOR DRIVERS & HELPERS

Kalinga University conducted a training programme on traffic rules and regulations at Maruti Driving School in collaboration with Traffic Police, Raipur on 16th November 2016. The training programme was all about traffic rules, safety measures and sign boards which is very important topic of concern presently. These are being overlooked by all of us. Officials said that this is the root of all unfortunate accidents. Most of the bus drivers and conductors of

Kalinga University attended the training programme.

Name of the participants are Baldev Sahu, Deepak Madak, Deepak Yadav, Ashok Singh, Ranjeet Dhiwar and Deepesh Madak, etc . There was no sufficient space for seating together at a time so, the session was conducted twice with two different lectures.

SEMINAR ON CAREER OPPORTUNITY IN DEFENSE FORCE

Lot of questions arise in the minds of youth about their career and in which field they make their

career. In this context, a seminar on career opportunity in Defense Force was organized on 14th

July 2016 at Kalinga University in the seminar hall. The chief speaker Captain Deepak Kumar told the students about the army and many other related knowledgeable things. He told the students to take some time for them and try to identify themselves. He encouraged the students to choose their goal according to their personality and to dedicate

themselves to achieve it. He told in the session that Doctors, Engineers and Teachers can also make their career in this area.

Dr. R. Shridhar, Mr. R. K. Singh, Mrs. Shraddha Choudhary and Mr. Sanjeev Yadav were present on behalf of Kalinga University in the program.

IF TEACHERS WILL COME TO THE SCHOOLS REGULARLY THEN CHILDREN'S PRESENCE WILL ALSO BE 100%

Work has been started on the roadmap that was created to improve the quality of education in the district and to improve the exam results of primary and higher secondary schools. In a meeting organized in the assembly hall of Kalinga University, the District Education Officer Mr. A. N. Banjara said that this time with experimental work, weekly tests and evaluation will be conducted in schools. He also presented the report card of different Development Blocks. Various instructions were given for increasing the no. of 'A' Grade with improvements in the exam results. Principals were encouraged to make their Schools Smart. DEO in order to improve the quality of education and exam results of School Management of Primary and Secondary School, has instructed to take the following steps:

- Keeping school premises and classes always clean.

- Linking children to pre-classroom knowledge.
- Assessment by objective questions.
- Painting on the walls of the schools.

TRAINING PROGRAMME FOR BUS DRIVERS

On 16th Oct 2016 a training programme for bus drivers was organized at Holy Cross School, Pension Bada, Raipur. All the transportation staff of Kalinga University had participated in the training program. It was an hour program in which Mr. S. P. Hirwani provided several information regarding road Traffic rules like -

- How to drive?
- Do not drive in a drunken state.
- Do not drive fast.
- Do not use mobile while driving.
- Keep the vehicles clean.
- Always stop at the right stoppage.

It was a very interactive and learning session cum training programme for the transportation staff of the University.

Educational Tours

INDUSTRIAL TOUR TO BHILAI STEEL PLANT

Students of fourth and sixth semesters of Mechanical Department went to Bhilai Steel Plant for one day Industrial tour on 18.04.2017 along with the faculties Mr. Akshay Kumar, Mechanical Department, Ms. Gauri Upadhyay, Department of Mathematics & Mr. Arup Halder, TPO.

Students were very much enthusiastic to learn the process of manufacturing of different products and various machinery operations. They visited Rail Mill, Blast Furnace, Coke Over Gas Plant and Plate Mill in the plant.

Students had also witnessed different machineries, equipments and its usage in industrial purpose. The team was lead by Mr. Vasudev R. Rao , Senior Operator, RSM, BSP. He gave all the conceptual clarity and important information about the plant and the production. Students were very grateful to

the organization for the immense support and guidance.

INDUSTRIAL VISIT TO PRAKASH INDUSTRIES LIMITED

Students of Kalinga University went for an industrial visit to Prakash Industries Limited, Champa on 17th Feb. 2017. Approx. 150 students from Mechanical and MBA Departments took part in this visit along with Ms. Priyanka Pandey, Faculty of Computer Science, Mrs. Arushi Gupta, TPO and Dr. D.M. Sahu, Transport In-charge of Kalinga University.

All the students assembled in the city office at 7 am. and left for Champa by bus. They reached Prakash

Industries Limited, Champa at 12.30 pm. Mr. S.K. Singh, Training Officer, PIL, Champa introduced about the production of Iron and Silco Magnize & Other HR Departments. The visit came to an end at 3.00 pm. They left the premises at 3.30 pm.

It was an informative, interesting and a successful visit. Students of Mechanical Engineering & Management students had learnt production and process of iron making and learnt about the management system.

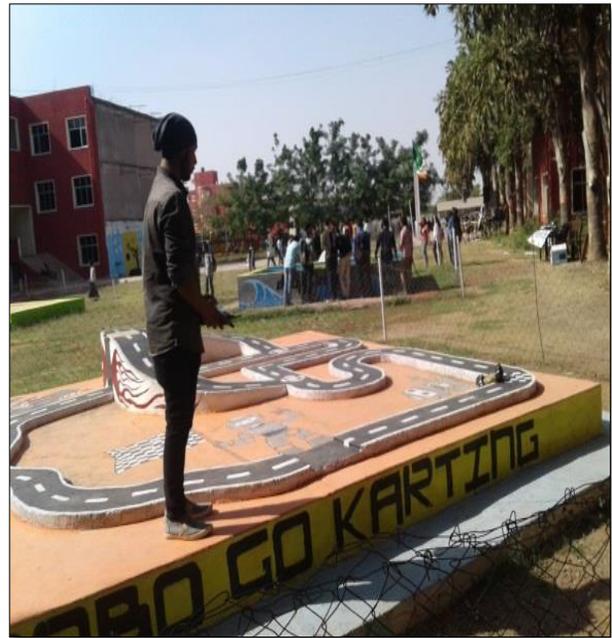

Activity Report

Title	College Visit
Venue	Chhatrapati Shivaji Institute of Technology, Bhilai
Date	8th June 2017
Team Member	Mr. Randhir Kumar– Faculty of Kalinga University Mr. Ram Narayan – Kalinga Staff

Students of Robotics along with faculties visited CSIT campus for Robotics Arena so that same Robotics Arena can be made in our Kalinga Campus for conducting tech fest and other Robotics competition. There are total 7 fields in Robotics Competition– Line Follower, Robo Go Cart, Robo Soccer League, Robo Race, Robo Sumo, Deep in

Blue, Robo War. But we decided to participate in 4 out of 7 fields of competition. Which was Robo Go Cart, Robo Soccer, Robo Race, Robo Sumo.

We met the Registrar and the TPO and discussed about Robotics competition and knew about the rules and regulation of the tech fest.

AMARKANTAK TRIP

A wonderful tour with lots of positivity and fun was organized by Kalinga University for students on 9/4/2017. Students were under guidance of two faculty in-charges and a lab attendant for the visit.

They visited Amarkantak, surrounded by a rich variety of flora with enchanting lush green forest belt and mesmerizing waterfalls. Apart from having religious importance as origin of Narmada River, Amarkantak is a very good tourist spot with a soothing weather. It is approx 206 Km from Raipur. It took about 9-10 hours to visit from Raipur. Students enjoyed this long distance trip filled with enthusiasm, singing songs all through the tour. They were full of positive energy to visit Amarkantak's famous waterfall. Students enjoyed waterfall shower.

had dinner in Bilaspur and reached Raipur around 5:00 am on 10/4/17. All the students were dropped safely at their residences and hostels. It was a wonderful experience having a trip with students at this time of the year, as it helps to get relief from peak summer temperatures, and to enrich the bond between students and faculties.

The University provided two buses for this visit and also funded all the expenses of Madhya Pradesh Border Entry Fees for all students and staffs. The trip started around 5:30 am from Raipur and students reached Amarkantak Narmada Temple around 2:30 pm, had lunch at the hill and then enjoyed the waterfall at Kapil Dhara. The return journey started around 7:00 pm from Kapil Dhara,

EDUCATIONAL FIELD TRIP TO SIRPUR RAIPUR

Field trip on 4th February 2017 was organized by Kalinga University for students from BA I, II and III year to give students educational experiences apart from their regular university environment.

The purpose of this tour was to make students aware about history of Chhattisgarh's culture.

Students learn more by physically seeing the real-life application of the lessons that they study in the class rooms. Students to understood and appreciated the importance and relevance of the trip as they are learning the same things theoretically.

The students visited the famous Laxman Temple dedicated to lord Vishnu, Buddhist Monasteries (Viharas), Gandheshwar Temple, Anand Prabhu Kutir Vihara and Swastika Vihara and the excavated Tivaradeva Mahavihara and the Museum.

TRIP TO SIRPUR AND BARNAVAPARA

On 21th March 2017 picnic trip was organized by University for its Mechanical Engineering and Computer Science Department. The trip was for the students of B. Tech 4th & 6th Semesters of

Mechanical Engineering & Computer Science and BCA (II) 2nd Semester. The University had provided transport facility for the trip.

EDUCATIONAL TRIP TO GANGREL DAM, RUDRI, DHAMTARI

On 13th April 2017 one day educational trip organized by Department of Mechanical Engineering to Gangrel Dam, Rudri ,Dhamtari for B. Tech. 4th and 6th Sem. students.

The students had learnt about the generation of electricity from the Kaplan Turbine. They had gained practical knowledge about the power generation from 1.2 MW unit, its constructional details and working procedure.

The students were escorted and greeted by Mr. S. N. Shukla, DM, Water Management Dept. He organized a field trip for the students and cleared their each and every doubt from Mechanical and Civil engineering point of view. Students gained a lot of practical knowledge from this field trip.

Cultural Activities

ANNUAL FUNCTION

Kalinga university celebrated its annual day function and prize distribution ceremony at its Naya Raipur campus on Thursday, March 9th 2017 in a grand manner. The program included mesmerizing performances like singing, dancing, scintillating fashion show, drama, nukked natak, standup comedy, etc.

Shri Prem Prakash Pandey, Minister of Higher Education was the honorable chief guest of the function. He delivered very motivating & inspiring speech on the occasion and applauded the students for their achievements & performances. Chief quest in his address pointed the importance of discipline & punctuality in student's life for strong career building.

Many distinguished personalities were also present to grace the occasion. All the dignitaries were welcomed by the chairman Dr. Rajeev Kumar & Chancellor Dr. Sandeep Arora. The Registrar of the university Dr. Sandeep Gandhi delivered a report on the year round achievement of the University. Program commenced with the lighting of ceremonial lamp at the hands of invited dignitaries. This was followed by Saraswati Vandana by Ms Pallavi Jakate, Asst. Prof., Civil Department and welcome dance by Shreya Mullick, Civil Dept., Sem. VI.

There after the ramp show depicted talent in three rounds viz traditional, western & indo western. The uniqueness of this show was that all the dresses were designed by the students of Kalinga University under the guidance of Mrs. Savitri Sapre & Mrs. Neha Soni. The beauty of dresses coupled with the graceful presentations by the students mesmerized the spectators. Later the dance performance enthralled the huge audience assembled in the function.

All the students participated in the different events were awarded with the citations & mementos. The whole event was anchored by Mrs. Shraddha Chaudhary & Ms. Suman Mahto. The overall incharge of the event was Mr. Vijay Bhushan. The program ended with the sumptuous dinner for all.

ANAND MELA CELEBRATIONS AT KALINGA

The Anand Mela celebration was grand and successful event which held on 8th March 2017. The function was presided over by the chairman Dr. Rajeev Kumar.

The program started with the inauguration of mela by ribbon cutting ceremony by hon. Chairman of Kalinga Dr. Rajeev Kumar. It was followed by Punjabi Martial Art 'Gatka' performed by our student Harjot Singh (BBA) and his team from outside.

During the mela blood donation camp was also conducted by Model Blood Bank, Dr. B. R. Ambedkar Memorial Hospital, Raipur, free eye check up by Lions Club and free health check up by Kalinga University. These stalls gained lot of appreciation.

of attraction in which different food items, sweets, desserts, cold drinks were available. Many stalls of fun games were attracting the students very much.

Presence of RJ Arjun in the mela and all the different activities conducted by him was enjoyed the most. The different stalls were the main source

10	Flavours of Nepal	Students from Nepal	Nepali Dishes & Momos

ART AND CRAFT

Kalinga university firmly believes that art and craft plays a significant role in our education system, nevertheless today it has been reduced to a 'hobby' or a 'leisure activity' which is useful in school only on special occasions like the Annual Day, or when school is holding an exhibition.

We realize that advantages of art are many -not only the children develop aesthetic sense but they also learn a number of life skills like endurance,

perseverance, creativity, problem-solving, dealing with disappointments, etc.

Art broadens the horizon of the students. They learn about different mediums, techniques, forms of art, etc. They apply these ideas into making creative projects. model making, charts, files, etc at once become doable for them. This in turn increases their confidence and self esteem.

Keeping in mind the long-term benefits of an art we conducted lot many art and craft competitions with the aim of getting the students to ‘think and create’—not merely ‘do as directed’. Care has been taken to

introduce a wide variety of competitions so that students feel empowered and any creative work is no longer a challenge for them.

Various activities and competitions are conducted all round the year. During the annual fest *Kalinga Utsav* mehandi, nail art, rangoli, flower decoration, salad decoration, best out of waste, painting and many other competitions were organised.

Students exhibited their talents in the best possible ways in order to give cut throat competition to each other. All the winners of the competitions were honoured with the medals and certificates.

CSVTVU'S YOUTH FEST

It was golden opportunity for all to be a part of CSVTVU's Youth Fest organized by Students Union at Chhatrapati Shivaji Institute of Technology, Bhilai from 10th to 12th April 2017. In this event Ankur Mukherjee- B.Tech. Mech. Sem.VI participated from Kalinga University. There were total seven fields in Robotics Competition- Line Follower, Robo Go Cart, Robo Soccer League, Robo Race, Robo Sumo, Deep in Blue, Robo War. Ankur had participated in the four events. i.e. Robo Go Cart, Robo Soccer, Robo Race, Robo Sumo. He got first prize in Robo Race.

One Stall of Kalinga University was also arranged. In this stall information about Kalinga University was provided to all the participating students, parents and visitors. In this event we interacted with

students and shared about Kalinga University. They were highly excited and curious to know more about Kalinga University. Two Faculties of Kalinga University Mr. Randhir Kumar and Mrs. Aarushi Gupta had participated in this event.

FANCY DRESS COMPETITION

Kalinga University enjoyed the fancy dress show with great fun & joy. It portrayed the brilliance of multi talented students across the different domains of students.

The long hours magnificent show represented the dress from rural India to abroad and characters from earthly world to eternal world. The makeup, costume, dialogues delivery of the participants kept the audience spell bound. The rich talent of boys & girls depicted the affluent aptitude of the students at large.

The participants who proved their mettle to depict the character as a real one were honoured by the Chairman Dr. Rajiv kumar.

Ravneet, Akash & Saurabh Bhoi exhibited the characters of Eunuchs & won the first prize. Vinay Verma won second prize as a Ravana. Narendra as a Charlie form Charlie-Chaplin was given third prize. Other characters of Wamp, Traffic Signal, Teejan Bai, Farmer, Peacock also gained the appreciation of audience.

FASHION SHOW ON THE OCCASION OF REPUBLIC DAY

On the occasion of Republic Day 'Fashion Show' was organised in the University Campus on 26 January 2017. The students of Kalinga participated with great enthusiasm. Khadi, Suti, Kosa were the main cloth material which participants chose to highlight in this show as per the gravity of the occasion.

The dresses were designed by the students of Kalinga. Designers succeeded to win lot of appreciation from the audience.

MR. AND MISS BEST OUTFIT ICON 2017

Mr. and Miss Best Outfit Icon 2017 contest was sponsored by Kalinga University and Nav Bharat Group. This event was conducted at Ambuja Mall on 30 April 2017. Large number of contestants had participated in this event to showcase their talent. A good gathering of fashion lovers was congregated to eyewitness the show. Mr. Promod Dubey, Mayor, Raipur Municipal Corporation was the Chief Guest of the show. He distributed the prizes and certificates to all the winners.

INDEPENDENCE DAY

The 70th Independence Day on 15th August 2016 was celebrated with great zeal and enthusiasm in the university campus on Monday. Dr Rajeev Kumar, Chairman of Governing Body, Kalinga University was the chief guest of the program. He hoisted the national flag. Various colourful cultural activities were conducted which enthralled the audience with patriotic fervour. The program began with garlanding the portraits of Mahatma & Bharat Mata.

KIDS CARNIVAL

Dainik Bhaskar and Kalinga University had jointly organised Kids – Students Carnival. Students gave unmatched cultural performances in the carnival. Apart from this young children showed their imagination through art of painting, drawing and sketching. Several educational institutes had participated in the carnival held at the Shamrock

Greens located in Cheri Kheri, Raipur. In this two days program, parents and children gave information about the activities of their institutions. Minister Shri Ajay Chandrakar was the Chief Guest at the closing ceremony. He said every parent have a dream of giving good education to their child. This event of Dainik Bhaskar was such a platform.

Apart from this his appeal was to all the parents that besides education children should participate in the activities like art; craft etc. The Commissioner of the Election Commission chaired the program and said that due to parents children become capable.

Whatever life parents give to their children, their childhood should not be taken away. Let children live the life of fun and freedom. Students of Kalinga University performed Panthi Dance. In this carnival, Kalinga University won the best presentation award.

REPUBLIC DAY CELEBRATION

Kalinga University commemorated the Republic Day on 26th January 2017 by paying glowing tributes to numerous unsung heroes of Indian freedom struggle. This auspicious and vibrant occasion was witnessed by the honourable Chief Guest Dr. Rajeev Kumar, Chairman, Kalinga University.

The chief guest unfurled the national tricolor, followed by the national anthem. Vibrant March Past was done & Guard of Honor was given by the NCC cadets.

On this propitious day, special invitees, professors, staffs and students were present to mark this national festival. Different mesmerizing performances were enthusiastically presented by the staff and students.

NAI DUNIYA RAIPUR MAHOTSAV

Kalinga University and Nai Duniya press had jointly organized 'Raipur Mahotsav'. When the students of Kalinga University performed the Panthi Dance of Satnam Dharmic culture, the viewers were surprised and stunned. The youth danced like a skilled dancer parties, drums & feet in tune with rhythm. Also in the middle, the youth started singing songs in the melodious voice and forced the people to dance and enjoy. Aakash Sharma and Lalendra Tiwari of our University sang many bollywood romantic songs. Bhanupratap performed a solo dance. The people who arrived in the festival enjoyed a lot in the cultural program. In a talent show, Laxmi Narayan of Kalinga University gave a comic performance in Chhattisgarhi dialect and made the audience laugh a lot.

Students gained the viewer's attention with the glorious presentation of folk dances. The viewers got up and danced from their seats.

A Fashion-show was also organized and students from many Universities like Mats, Kalinga, etc participated. They displayed Designer attires like Indo-western dresses, Traditional Dresses, etc.

Some won the hearts of people with the sense of classical dance and some danced on the songs based on the newest tunes of the new era. By presenting Classical dance Katthak in Western music Shreya Mallik of our University gained huge applause.

Kalinga University was very happy to be a part of this fest on 29th March to 2nd April 2017 organized by Nai Dunia, Raipur in collaboration with Kalinga University. In all these events our students actively participated.

There were different events i.e. group dance, solo dance, solo song, group songs, stand up comedy, fashion show, etc. Our student Aakash Sharma participated in solo song and got public attentions during the program,

Our student Shreya Mullick participated in solo dance, Kshama and group participated in Retro group dance and Vinay Verma and group participated in Chhattisgarhi group dance.

All students of Fashion show were selected for the final round. Two stalls of Kalinga University were arranged at Science college ground. In these stalls we had provided information about Kalinga

University and shared the qualities of University with students and visitors.

Dr. Sushma Dubey was the overall in charge of the fest. The program was co-ordinated by Ms Manila Chandrakar, Ms Pooja Chandrakar, Ms Sonam Dubey, Ms Jaya chandrakar, Mr. Rahul Rathore, Mr.Honey Gour, Mr Deepak Verma and Mr. Randheer.

Sports Activities

KALINGA UNIVERSITY ANNUAL SPORTS 2017 BEGINS WITH GUSTO

Annual Sports 2017 commenced with great enthusiasm, pomp and show at Kalinga University, Raipur. All the students were divided into eight groups. This event started with the motivational speech of Dr. Sandeep Arora, Chancellor, which engrossed the participants and audience. He stressed that each student is required to play at least one game. Sport kindles the spirit of brotherhood, friendliness and companionship. It fills us the sense of punctuality, team spirit and balances the life with

physical, mental and psychological fitness, he added.

The annual sports continued for six days where all kinds of outdoor games and indoor games were played. It included Cricket, Football, Volleyball, Badminton, Table Tennis, Long Jump and Kho-Kho, Carrom, Chess, Sprint 100 meters, etc.

The whole function ended with vibrant prize distribution ceremony.

ALL INDIA UNIVERSITY WUSHU COMPETITION- 2016

Students of Kalinga University exhibited their outstanding performance in All India University Wushu Competition- 2016 held at Punjab University Campus, Patiala from 25th to 28th September, 2016. Prateek Singh from MBA Dept. and Amit Chandrakar student of B. Tech. from Kalinga University won 2nd and 3rd Prize combating in a cut throat competition against Punjab University and Banaras Hindu University.

Two students along with a faculty Mr. Sanjeev Yadav commenced their journey on 23rd of Sept. from Raipur and reached there on 24th Sept. After completing the official paper work they attended the meeting on 25th September for reviewing the rules and regulations of the match. On 26th September

after the weight measurement and category selection, Prateek Singh fought with his counterpart from North Eastern Hill University and won the match successfully. Winning back to back throughout the four qualifying matches against daredevil opponents Prateek reached at the pinnacle of success and got silver finally. On the other hand Amit Chandrakar made his fabulous journey up to semifinal securing 3rd position against BHU.

Finally in the dazzling evening Director of Sports, Punjab University awarded the winners with medals and told that Kalinga University from Chhattisgarh, the only participating University from the state had stood out and shone with its unique performance.

KALINGA STARTED INTERNATIONAL GYMNASIUM

At the campus of Kalinga University, Naya Raipur, the President of the University Sponsor Committee Dr. Rajeev Kumar inaugurated the functioning of the international level gymnasium. The program was started with the worship of god Hanuman placed in the gymnasium room. In this universal gymnasium, arrangements have been made to

provide proper number of tools like multi gyms, treadmills, weights, mirrors and soft music, etc to create the proper environment of exercise. Mr. Sanjeev Yadav, Sports Coach of Kalinga University informed that this gymnasium will be available for the students as well as staff of the Kalinga University.

CLOSING CEREMONY OF SPORTS & CULTURAL FESTIVAL

The closing ceremony of the games & cultural festival held in the campus of Hidayatullah National Law University on 25th February 2017.

Kalinga University became the winner in discus throw. The chief guest of the program was Mr. Santosh Mishra, Secretary of Chhattisgarh State Tourism Dept. He gave three suggestions to make life worth while in his explanation while addressing. Shri Mishra said that help those people who are

unable to help you. Every year be versatile in a new genre and try to get acquainted with diverse culture.

The closing ceremony was chaired by the Vice-Chancellor Professor Dr. Sukh Pal Singh of HNLU. From morning on the last day of the festival Cricket, Football, Table Tennis, Volleyball, Kabaddi,

Badminton etc were organised. The participant's aggression in all the games was noticed. In cricket SSI.PAT College defeated Mats University by 6 wickets to win the Championship. During the festival University campus has been a witness to the enthusiasm of the participants for three days.

NCC /Air Wing / NSS Activities

AEROMODELING & ROBOTICS WORKSHOP

Aeromodelling and Robotics Project Development workshop was organized by Kalinga Science Center of Kalinga University and Vigyan Prasar, an autonomous organization under Department of Science & Technology, Govt. of India. This workshop was specially organized for technical students of the university to inculcate the technical trait and to empower their practical work experience.

In this workshop students designed and developed various live working projects controlled by manual and autonomous command. During the robotics session students knew the importance, application and utilization of robotics technology and designed their own live working robots which were operated by Gyro Sensor (motion based), specially developed for handicapped so they can move as per their own wish. Apart from the gesture based robot, various robots were also developed by students like, Line Follower, DPDT Controlled, RF- Radio Frequency Controlled, Mobile Controlled, Computer Controlled and Android Operated Robots, etc.

Expert from NCC, Demonstrated various Flying Project, Sky Wing, Sky Surfing, RC Powered Plane, Quad Copter, etc. Students attended the aerodynamics session and used Balsa wood for crafting the basic flying plane.

University periodically organizes such practical oriented trainings and workshops for its students to explore their potential and provide productive platform to bridge the gap between formal education and practical learning. Experts form industries frequently visit the university and share their

expertise and experience to motivate the students to become a significant representative of the national and the globalised world.

Registrar of University Dr. S. Gandhi and workshop coordinator Mr. Pradeep Kumar expressed their

views that this workshop was really beneficial for the students to invent something new and creative for betterment of nation and mankind.

OFFICERS TRAINING ACADEMY

The **OFFICERS TRAINING ACADEMY** is a training establishment of the **INDIAN ARMY** that trains officers for the short service commission. The 49 week course at the OTA prepares for the Army, except for the Army Medical Corps. Where various field activities and cultural activities have been held in OTA, Gwalior, (MP). Mrs Tripti Chandrakar had successfully completed this training program from Aug.- Oct. 2016.

NIC CAMP MYSORE 15-26 MAY 2017

One ANO & Six Cadets from Kalinga University participated in NIC Camp, Mysore. This camp aimed to promote national integration between cadets and to prepare them to teach the society that what exactly national integration is ? Competitions in the field on music, dance theatre, fine arts, literary events, Sports, etc were organized to show the culture of different states.

The ANOs & Cadets from 16 different NCC Directorates came to become the part of NIC.

Our cadets performed very well in cultural and got special prize in Dance completion. All had a great experience in the camp and they shared it formally with the other students.

NSS OFFICER TRAINING PROGRAMME AT PT. RAVISHANKAR SHUKLA UNIVERSITY

NSS Officers Training Programme was organised at Dr. Raman Hall, Pt. Ravishankar Shukla University on 5th August, 2016 at 10 o'clock morning. The inaugural ceremony was graced by Mrs. Neeta Bajpyee, Co-ordinator, NSS, Pt. Ravishankar Shukla University and Dr. R. P. Agrawal, Co-ordinator, NSS, Durg University. Both of them focused light on the activities of training programme in a nutshell on the first day of the session.

On 06.08.2016, the second day the session was started at 9:30 am with the august presence of Dr. Samarendra Singh who enlightened the audience with his beautiful speech on the background of NSS and its philosophy as well as the mission and vision of the organization. Just after lunch in the second session, Dr. S. Thakur, Co-ordinator of Technical University, Durg delivered his lecture on Financial Management and the process of expenditure for the organization throughout the year.

On the third day 07.06.2016, guest speaker Dr. Gobardhan from NIT, Raipur addressed the

audience on the topic 'National Integration'. He told that unity could only strengthen any organization.

Dr. Malti Tiwari from Govt. PG College, Mahasamund discussed on the process of record keeping and maintenance of data and also explained in details about the various paper works of the organization. Dr. Shatabdi from National Commission for Protection of Child Rights, Govt. of CG elaborated about the idea of making young leaders and advised that NSS can inspire the students to become young leaders of the society.

On the fourth day 08.06.2016, trainees were addressed by the guest speaker Dr. Raksha Singh, Principal, Shakracharya Mahavidyalaya , Bhilai about the young generation of the society. She pointed out the process of character building of youths and its difficulties in present situation. Next Speaker Dr. Gobardhan told about the Disaster Management. He also threw light on the present status of building construction and its drawbacks.

Simultaneously he discussed about the process of avoiding these problems.

On 09.06.2016, the fifth day of the training programme Dr. Usha Kiran from Degree Girls College, Raipur discussed in details about the Art of Living. He explained the value of life and the meaningful way of its living as well as the process of strengthening our character.

Day sixth 10.06.2016 was started beautifully with local sightseeing visit. All delegates were brought to campus by Kalinga University's transport. They visited various temples there especially the temple of Sri Sri Ballavacharaya.

Then all travelled to Rajim and saw the famous places related to history and fables of this place.

After lunch all went to Purkhauti Mukhtangan which is the showcase of Chhattisgarh's old and unique culture and finally returned to the destination.

At the end of the training programme on 11th of August concluding session was graced by the eminent personalities, Vice Chancellor of Pt. Ravishankar Shukla University, Dr. Samrendra Singh and Ms. Neeta Bajpayee. All the delegates were felicitated with the certificate for successfully completing the training programme. Finally in his concluding speech, he told to all the delegates to be obedient and diligent to the organization.

CII- Kalinga's YI Program

MARKETING TRAINING

Training on marketing was conducted on 25th March 2017 in order to enhance the perspective, personality and exposure of Kalinga's marketing team. This training program was conducted in the Seminar Hall of Kalinga.

Mrs. Fozia Usman was the key note speaker. This program developed the inner hidden abilities of the participants. Ms. Dipti Mishra was the first speaker. She conducted a psychometric test, which was performed in a close observation through

which she tried to locate the fears, barriers and hurdles of one's personality and identified the key working areas.

Mrs Fozia Usman was the second speaker of the day. She deliberated her efforts towards importance of stress management, time management, gender equality and sexual harassment at work place for a 360* development of personalities of participants.

INDUCTION ON ENTREPRENEURSHIP

Entrepreneurship is the major requirement of today's young India. So in order to lay an emphasis upon the key working areas of entrepreneurship, an induction program on entrepreneurship was initiated to welcome the 2016 batch of Youth in Kalinga.

The eminent speaker Mr. Gaurav Giriya Shukla working at Console Group and runs his own

school at Arang closely knitted the gap between thoughts and actual processing of entrepreneurship in India. He is a Project Manager at Global Classroom Pvt. Ltd. and he shared his experience upon how a bit of creativity and innovative ideas can generate a profitable venture. The students found this program quite informative and appealing.

CSR & Other Activities

INDUCTION PROGRAM

Kalinga University conducted five days Induction Program 'Aarambh 2016' for new students of 2016 which started on 04.07.2016. The very purpose of this program was to welcome new comers in a friendly atmosphere and avoid social evil of ragging to encourage their creative impulses to boost their confidence.

The celebration started with lamp lightening by Dr. Sandeep Gandhi, Registrar of the University and all invited dignitaries and parents followed by the welcome address. The freshers were welcomed into the Kalinga family by the senior students.

"We wanted an event that allowed the new students to adapt to their new learning environment. We wanted them to feel comfortable quickly"- said Dr. Sandeep Gandhi, Registrar, Kalinga University.

Such programs are organized so as to generate the harmonious feelings among seniors and juniors. All the events were artistically and beautifully presented in colours as well as style.

The new students were introduced to all the faculty members of their respective departments and all the authorities responsible for different activities. They were also guided about all the rules and regulations of the University and were given prizes for answering questions of General Knowledge. Next few days also passed in a very interesting and entertaining way for the new students with different competitions like Quiz, Rangoli, Painting, Mehendi, Treasure Hunt, etc which had been planned for the students in the coming days.

Lectures by the industry experts and representatives of various corporate organizations as well as various motivational speakers guided and interacted with the students. The new students were happy with the welcome ceremony and participated in all the activities with enthusiasm.

BLOOD DONATION CAMP

Blood donation camp was organized at Kalinga University Campus on 08th March 2017. In order to surmount the huge scarcity of blood, this blood donation drive was organized in collaboration with exceedingly veteran team of Red Cross Society.

The fundamental intent behind this camp was to encourage youths to come forward to donate blood to save precious lives of the patients. More than 80 donors from the university including students, faculties and staff members participated voluntarily in the camp for this noble course.

On this occasion, Dr. Rajiv Kumar, Chairman appreciated all the donors for voluntarily coming forward for this noble cause.

NSUI WON STUDENTS UNION ELECTION IN KALINGA

The Students Union Election was accomplished peacefully on 26.08.2016. The results were instantly declared in the evening and the winners groups of students celebrated their victory with verve and enthusiasm.

Along with the University Management and Staff, Police was also monitoring the process of election for ensuring its smooth conduct. As the university was under strict vigil of police no unwanted incident was reported. NSUI flounced the students' Union Election 2016-17 held in Kalinga

The oath taking ceremony took place on 23.09.2016 in which all the elected members took oath in the presence of the hon. Chairman of Kalinga University Dr. Rajeev Kumar, NSUI members, Kalinga staff members and students.

University. The NSUI panel won all the four posts – President, Vice President, Secretary and Joint Secretary.

Md. Javed Ahmed, (B. Tech.) was elected as President, Sandeep Kumar Yadav, (B. Tech.) as Vice – President, Ms Akshita Dutta (BA) as Secretary and Prasang Garg as Joint Secretary respectively.

The different Class Representatives were also elected for the session.

KALINGA EFFECTIVELY ORGANISED ITS FIRST CONVOCATION

‘Today, the time has come when we should keep an eye on the future and the prospects beyond it. Let us make every effort to collaborate together, which is helpful in meeting the expectations and aspirations of the society and the country.’ The above things are said by Mrs. Renu Deshmukh, Member of Chhattisgarh Private University Regulatory Commission. She was addressing as the Chief Guest at University’s 1st Convocation on Friday 24.02.2017.

On this occasion, degrees were awarded to the students. The convocation began with the Grace-March under the leadership of Dr. Sandeep Gandhi, Registrar of Kalinga University. All the invited dignitaries, officers, and senior professors of the University participated with great zeal. The program was chaired by Dr. Sandeep Arora,

Chancellor of Kalinga University. On this Occasion, the Chairman of the Sponsor Committee, Dr. Rajeev Kumar said, ‘There are a lot of expectations from students completing education from this University.’

He added, ‘I believe that all the students of our University will contribute to the development of India and the world.’ Dr. Jagannath Patnaik, Vice-Chancellor of Kalinga University congratulated the students and blessed them for their future. On this occasion, a book ‘The Veracity of Truth’, written by the Vice-Chancellor was also released.

CHHATTISGARH RAJYA UTSAV 2016

It was a golden opportunity for us to be a part of **Rajya Utsav** organized at **Rajya Utsav Sthal, New Raipur Chhattisgarh from 1st to 5th November 2016**. In this Utsav we gave information about Kalinga University. The students of Kalinga University demonstrated Models & Robots to other students, parents and visitors. In this demonstration we interacted with students and shared the features and techniques used in these ROBOTS prepared by our students.

Viewers were highly excited to know more about Robot and Robotics Technique. The students of

class 9th, 10th, 11th and 12th who visited our Kalinga stall participated in Lucky Draw. They all filled registration forms and they got a Kit and lucky students won gifts for that. We provided Kalinga Diary to the visitors. We had also presented a Nukkad Natak on ‘Pani Ka Rang’ for which we were highly appreciated.

There were lots of inquiries regarding different-different courses, Fee Structure, History of Kalinga University etc by visitors in order to take admission in Kalinga University in future.

There is heavy rush in Kalinga University Stall

Registration forms filled by the Students those who had participated in Lucky Draw

CHAIRMAN OF KALINGA UNIVERSITY MET THE GOVERNOR OF CG

Chairman of Kalinga University Dr. Rajeev Kumar met the honourable Governor of Chhattisgarh Shri Balram Das Tondon Ji at Rajbhawan. During the meeting Dr. Rajeev Kumar invited the honourable Governor for the first

Convocation of Kalinga University. During this visit Dr. Sandeep Arora, Chancellor of Kalinga University was also present there. They both had discussed about the program and apprised about the progress of Kalinga University.

PICNIC TO M.M. FUN CITY, BAKTARA, MANDIR HASOD

After the hectic daily schedule of students and teachers University provided a fun day program cum picnic to M.M. Fun City. This was the best means of recreation in summer. This was a combined picnic of all the Dept. It was organized on 21st March 2017.

The picnic was held with great enthusiasm and merriment. The day was fine and everyone was delighted. The group started from city office at 10:15 am and reached 'Fun City' at 10:50 am.

There was great enjoyment, fun and recreation. Students and teachers from both the dept. enjoyed the water pools, games, rain dance, etc.

The picnic came to an end at about 4:30 pm with a lot of joy and pleasure. All reached to the city office at 5:15 pm.

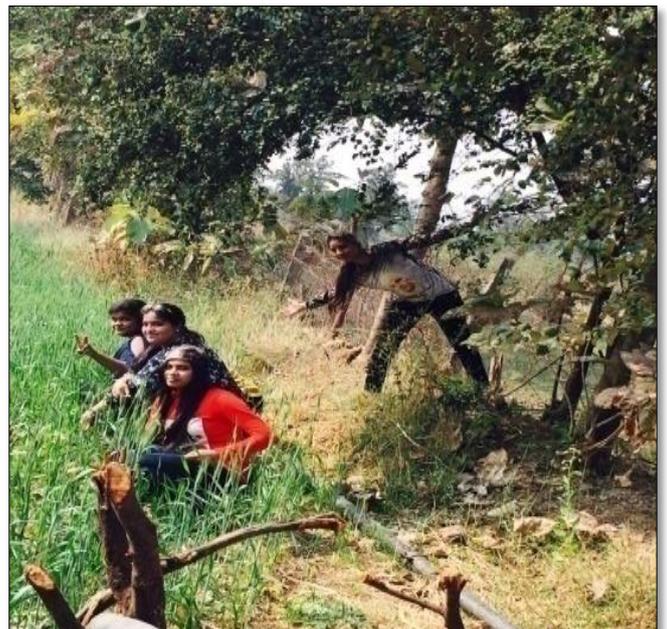

Dr. Md. Amir Khan, Mrs. Tripti Chandrakar, Mrs. Garima Gunjan, Mrs. Ankita Shukla, and Ms. Shristi Sharma had coordinated this program.

PICNIC TO MADKU DWEEP

A picnic was organized on 11th February 2017 as per the request of the students of BBA, MBA and B.Com. The destination of picnic was Madku Dweep near Bilaspur. The ever supporting Management of Kalinga University offered 3 buses for picnic. We left Raipur at 8:00 am with 120 students. On the way to Madku dweep all the students participated in various types of events like Antakshari, etc. It took 3 hours to reach the destination. On the spot delicious food was prepared by the experienced cooks and was enjoyed by all.

Further the faculty organized various sporting events and management games. All the students took active part in the events. It was a memorable

picnic for the students and faculty of Management and commerce department.

PARTICIPATED IN THE ANNUAL DAY OF AMITY UNIVERSITY

The second annual function of Amity University, Raipur, Chhattisgarh was celebrated as 'AMI SPARK-2017' on 24.03.2017. It was organized to distribute the prizes to University students in the field of academics, extra – curricular activities, sports and games.

Many inter university/ college competition of singing and dancing were organized. Cultural programs including music, dance and drama were presented by the students. The chief guest of the event was Dy. Commandant of ITBP. The event

was attended by approximately 500 persons which included mainly students and parents, university officials and faculty members.

An impressive stage was erected in the open ground in front of the university Building with seating arrangements and six food stalls for selling snacks and beverages/ice creams, etc. The newly built university building was well decorated with lighting and the ambiance created was impressive.

Mr. R.K. Singh and Mr. Kumar Shwetabh had attended the function on behalf of Kalinga University.
