STUDENT FEEDBACK ACTION TAKEN REPORT

2017-18

After taking feedback from students certain points were discussed and solutions were provided for them.

S.No	Particular	Action Taken
1	Whether the Syllabus has a good balance between theory and practical applications.	The departments were requested to look into the observations made by the students over balance between theory and practical applications. If needed syllabus revision can be done.
2	We got few remarks such as fast speaking ,less explanation, low voice , fast teaching for few faculty member .	Informed to individual course faculty in person. Improvement areas were identified and communicated. Suggestions, Counselling and Support have been provided to concerned faculty for teaching-learning performance improvement. The performance improvement has been taken into consideration at the time of appraisal
3	A special note was made regarding the team building, interpersonal relationship and the good attitude of the students.	A personality grooming lecture series was organized in the institute under the skill development program. We are happy to see the result of our Student training Program (STP), This session series helped our student to be ready for corporate world.
4	Industry Interaction is must to create confidence in students	The professionals from industry are called time to time to assess the students and train them accordingly. The experts interact with the students and give suggestions to bridge the gap between industry and academics.
5	Vacant posts of teachers should be filled. More staff should be appointed in the library.	The demand for additional teachers has been passed to the management committee. The management committee has promised to appoint additional teachers and library staff in the next academic session.
6	All classes should not have Whiteboards since chalk boards have lesser reflection and are easier to read.	The project of replacing green boards with white boards has been put on hold until further feedback is available from teachers and students.

7	Wi-Fi related issues	IT department was instructed to check and understand the problem and resolve the issues if found relevant.
8	Awareness about functioning of the placement cell in University.	Training and placement department was instructed to conduct the sessions course wise so that each and every student must be aware of the functioning of Training and placement department.
9	Sports facility available in the university.	As per the feedback from the students, increased number of sports facilities were made available to the students. The students who were representing the university at state and national platform were given certain relaxations in examination schedule as per the demand of situation.
10	Satisfaction of students with Student Amenity Centre (Mini Market) present in university Campus	Administrative department was instructed to maximize the shops as per the student's requirement. As per the feedback of the students one more ATM was made available to them.
11	Whether the teacher uses modern teaching aids, handouts, suitable references, power point presentation, web resources etc.	The department was requested to look into the observations made by the students over teaching aids. Monographs was prepared for all the subjects as teaching materials should meet students' needs as every person has its own level of understanding. Informed to individual course faculty in person
12	Cleanliness of toilets, cafeteria etc	Administration department was instructed to look into the matter.
13	Some of the specialization books should be added in library stock.	Requisition of books was taken from faculty members. A list was compiled by the librarian and proposed for purchase.

FACULTY FEEDBACK ACTION TAKEN REPORT

2017-18

ACTION TAKEN REPORT 2017-18

1. For new current revised syllabus there should be more industry exposure and hence experts to be called from industry for conducting sessions as per the area of expertise to enrich the learning the feedback.
2. Faculty members were motivated for attending workshops and research paper writing activity for updating and upgrading the knowledge.
3. Teachers are appointed as a part of curriculum development committee Suggestions from all faculties regarding curriculum revision are considered. Inputs were taken for revision of syllabus.
4. E-Waste recycling must be encouraged among student community through community education program and extension activities.
