Online Education

1. Does all programs/courses were completed on time.		Yes	
2. Measures taken to complete the syllabus of courses and programs.		Kalinga University is conducting regular classes as per the need of the curriculum in online mode that is well monitored by the office of Dean, Academics. To facilitate the effective delivery of the curriculum, the University has adequate IT infrastructure and ensure continuity in teaching – learning process in online mode. Google Classrooms, You-Tube Streaming and SWAYAM PRABHA platform also helps the University in ensuring syllabus competition in an effective way. The University has a well planned academic calendar that is handed over to the faculty members well in advance and is introduced to the students during their orientation program. The University strictly adheres to the time lines mentioned in the academic calendar in terms of conduction of academic activities, completion of the syllabus and scheduling the class tests, assignments and end-term examinations. The entire process of execution of academic calendar of the University is monitored by the office of Dean Academics. The Faculty members of the University have developed e-contents for the entire syllabus in the form of notes, assignments, PPT and Quiz. The e-lab experiments are also developed by the faculty members and the same is uploaded in the student portal through University website. The University has strengthened the mechanism of mentor-mentee counseling to impart timely guidance to the students regarding any of their queries regarding syllabus. The teacher advisor thus ensures that each and every student completes the learning process of the entire syllabus. The University has adopted alternative and simplified modes and methods of examination to complete the process in shorter period of time. The University has developed KXAMS app to facilitate the students to take their examinations in online mode that ensure smooth conduction of the same. The University conducts viva-voce examinations of practical courses through video conferencing to meet the challenges of pandemic scenario. The University has also procured E-contents in the form of databases like Web of Science, Inspec, J-Gate and Manupatra for the students to refer study material in online mode. Curriculum design, development and execution is a significant process of developing appropriate need based inputs in consultation with expert groups based on the feedback from stakeholders. In this regard, the University provides the necessary arrangements for feedback responses from students on curriculum related institutional process that includes the execution and completion of syllabus of all the courses. The student feedback on curriculum completion is obtained from the students on each course which are duly considered in reviewing it. During the feedback review if some extra classes are required in certain course, the concerned faculty ensures the same until the final feedback from the students regarding syllabus completion is checked. Thus, the University takes adequate measures to complete the syllabus of the courses and programs running in the University.	
3. The period of delay in completion of syllabus (in months).		0	
4. The period of delay in conducting exams (in months).		0
