

## eGalactic rolls out Urkund country-wide

Urkund provided to all Indian Universities under ShodhShuddhi, an initiative of MHRD, Govt of India

### Urkund

Anti-plagiarism software that simply works. We foster original thinking by preventing plagiarism.

URKUND is a digital, fully-automated machine learning text-recognition system to detect, handle, and prevent plagiarism in India. Trusted world over by leading Universities and institutions, this is a practical, easy-to-use tool for the benefit of educators. The users can access URKUND via LMS, Email, and web inbox by creating an Urkund account. One of the best preventive tools to maintain the authenticity of the content, this system is capable of supporting a wide variety of file formats and languages. Secure your data and enhance the quality of research undertaken by students. Protect the originality of ideas and content of research scholars.

Under the aegis of MHRD, through INFLIBNET (Information and Library Network) Centre URKUND has been rolled out to all the Universities and CFTIs in India. URKUND can be integrated with more than 40+ learning management systems.
