About Kalinga University

Kalinga University, Naya Raipur, is a NAAC accredited University and the only University in Chhattisgarh ranked in the Top 101-150 Universities in NIRF Ranking 2023 and has emerged as a centre of excellence in higher education in Central India. Strategically located in the Smart City of New Raipur, this University has started carving a niche for itself in the education domain and is rising as a shining star on the horizon of quality education.

About Raipur: Raipur is the Capital of Chhattisgarh, and New Raipur is the New Capital of Chhattisgarh. New Raipur is the fourth planned city of India, with wide roads and miles of greenery and is pollution-free. It is the first integrated and smart city in the country. A cosmopolitan city which is also the hub of higher education hosts IIM, IIT, IIIT, National Law University, CIPET, NIT and AIIMS. In addition, it also hosts most National and International Brands of Food and Retail Outlets.

Establishment: Established in 2013, this University has been able to win the confidence of over 7000 students. Meritorious students from all over the country and various foreign countries like Afghanistan, Angola, Bangladesh, Cameroon, Gambia, Ivory Coast, Kenya, Lesotho, Liberia, Malawi, Namibia, Nepal, Nigeria, Papua New Guinea, South Sudan, Swaziland, Tanzania, Uganda, Zambia, Zimbabwe, etc., have chosen this University for their education and career.

School of Excellence: Currently, the University is serving the student community through various schools offering UG and PG programs, namely Arts & Humanities, Biotechnology, Commerce & Management, UX Design, Engineering, Fashion Design, Information Technology, Interior Design, Journalism & Mass Communication, Law, Library Science, Pharmacy, Science, Education and Yoga. It also has a centre for Doctoral Research Programmes in various fields.

Faculty of Pharmacy

The Faculty of Pharmacy at Kalinga University is deeply committed to producing highly skilled pharmacists and scientists who uphold ethical standards and are equipped to address community health needs. The emphasis on international standards, scientific research, and community service reflects a holistic approach to education and professional development. The investment in state-of-the-art laboratories demonstrates a dedication to providing students with practical, hands-on learning experiences in pharmaceutical sciences.

About the Seminar

Our seminar's focus is on the use of Nanotechnology and Nanotheranostics in targeted drug delivery for the treatment of diseases without affecting other organs. By addressing the complexities and challenges inherent in the process, researchers can better navigate the pathway towards bringing new medications to market. Identifying scientific and operational obstacles early on allows for proactive measures to enhance the efficiency and success of the development process, ultimately benefiting both researchers and patients.

Seminar Objectives

The seminar on “Recent Advancements in Nanotechnology & Nanotheranostics” sounds like an excellent opportunity for knowledge exchange and collaboration. By bringing together experts from both academic and industrial sectors, along with researchers and students, the seminar aims to foster discussion and learning on cutting-edge topics such as “Nanotechnology & Nanotheranostics” in pharmaceuticals. The platform provides a space for researchers to showcase their work, receive feedback, and enhance their understanding of the subject, ultimately benefiting their grant proposal writing, teaching, and research endeavours.

Thematic Areas:

- Nanomaterials Synthesis and Characterization
- Theranostic Nanoparticles
- Nano-biosensors and Diagnostics
- Nanoimaging and Nanoscale Visualization
- Nanotoxicology and Safety Assessment
- Nanotechnology in Regenerative Medicine
- Nanotechnology for Infectious Disease Management
- Nano-enabled Biomaterials and Implants
- Nanotechnology in Agriculture and Food Safety
- Ethical, Social, and Regulatory Aspects of Nanomedicine

Call for Abstract

The International seminar invites abstracts from delegates from all over the globe, including guest/invited speakers, faculties, research scholars, and postgraduate and graduate students from different organisations. This seminar will be a suitable forum for sharing views on drug discovery & development and the role of “Nanotechnology & Nanotheranostics” in this field. Abstracts up to 250-300 words should be prepared using Times New Roman (12pt) in a single line. The title should be in bold. The abstract should be free from plagiarism. Mention the names of the author(s), affiliation(s), and E-mail ID of the corresponding author. Underline the name of the presenting author and email to icfop@kalingauniversity.ac.in. All the abstracts will be published in the form of seminar

proceedings with ISBN. A copy of the seminar proceedings will be provided to all the participants.

Publication

All the papers will be included in the conference proceedings with ISBN as E-Book . Selected papers will be published in the UGC / ABDC / Scopus indexed journals with applicable charges determined by the respective journals.

Submission Guidelines

- ★ An abstract may have a maximum of 300 words and a maximum of 5 keywords.
- ★ Abstract and full-length papers should be emailed to icfop@kalingauniversity.ac.in.
- ★ The full paper must be formatted as an MS Word document in Times New Roman, 12-point font size.
- ★ All papers will be checked for plagiarism per the university guidelines.
- ★ Registration is compulsory for all participants.

Important Dates

- ★ Early bird registration & abstract submission close on - 28th February 2025
- ★ Last date of registration - 3rd March 2025
- ★ Notification of acceptance of abstracts - 5th March 2025
- ★ Dates of seminar - 14th & 15th March 2025

Paper cum Oral/Poster Presentation

Paper cum Oral/Poster presentation will be presented in a prescribed format. Each presentation will be of 5 minutes + 2 minutes of discussion. A certificate of presentation will be provided to the participants, who will present their research work.
