OVERVIEW

ABOUT KALINGA

Kalinga University, Raipur has emerged as a centre of excellence of higher education in Central India. Strategically located in the Smart City of New Raipur, this University has started carving a niche for itself in the education domain and is rising as a shining star on the horizon of quality education.

VISION

Kalinga University aims to be an outstanding institution for Talent Development and Knowledge Creation for a vibrant and inclusive society.

MISSION

The primary purpose of Kalinga University is to provide a learning environment in which faculty, staff and students can discover, examine critically, preserve and transmit the knowledge, wisdom and values that will ensure the survival of future generations and improve the quality of life for all. The University seeks to help students to develop an understanding and appreciation for the complex cultural and physical worlds in which they live and to realize their highest potential of intellectual, physical and human development. To fulfill our mission, we:

- Offer broad and balanced academic programs that are mutually reinforcing and emphasize high quality and creative instruction at the undergraduate, graduate, professional and postgraduate levels.
- Generate new knowledge through a broad array of scholarly research and creative endeavors, which provide a foundation for dealing with the immediate and long-range needs of society.
- Achieve leadership in each discipline, strengthen interdisciplinary studies, and pioneer new fields of learning.
- Promote the use of new technologies in Teaching and Research.
