

Ref. No. KU/2024/Reg./NH/110

Dated 10.07.2024

OFFICE ORDER

Subject: Implementation of Policy for Climate Action for Sustainability

In continuation of the University's commitment towards environmental sustainability, climate resilience, responsible resource utilization, and the achievement of the **United Nations Sustainable Development Goals (SDGs)**, the **Policy for Climate Action for Sustainability** is hereby approved for implementation at Kalinga University with effect from the date of issuance of this Office Order.

The Policy provides an institutional framework for promoting climate mitigation, climate adaptation, sustainable resource management, environmental awareness, research, innovation, and community engagement across the University.

Accordingly, the following directions are hereby issued:

- 1. Renewable Energy and Energy Efficiency:** The University shall promote renewable energy, energy-efficient infrastructure and equipment, efficient lighting systems, and responsible energy consumption to reduce environmental impact.
- 2. Carbon Footprint and Sustainable Transportation:** The University shall undertake appropriate measures to reduce greenhouse-gas emissions through energy conservation, resource efficiency, electric vehicles, EV charging infrastructure, public/shared transportation, cycling, walking, and other low-emission mobility options.
- 3. Water Conservation and Management:** The University shall promote rainwater harvesting, groundwater recharge, water-efficient systems, wastewater treatment and reuse, and other measures for efficient and sustainable water management.
- 4. Waste Management and Resource Efficiency:** The University shall promote waste segregation at source, reduction, reuse, recycling, composting, and responsible disposal of solid waste, e-waste, and other regulated waste streams.
- 5. Green Campus and Biodiversity Conservation:** The University shall promote plantation, sustainable landscaping, protection of green spaces, biodiversity conservation, and development of climate-resilient campus infrastructure and ecosystems.

KALINGA UNIVERSITY

Mob: 9303097043, Email- registrar@kalingauniversity.ac.in

6. **Climate Education, Research and Innovation:** Academic departments and research centres shall be encouraged to undertake climate-related teaching, research, innovation, projects, seminars, workshops, FDPs, competitions, and awareness programmes aligned with sustainability objectives.
7. **Community Engagement and Awareness:** The University shall undertake outreach and extension activities to promote awareness regarding climate change, environmental protection, energy and water conservation, waste management, biodiversity, and sustainable lifestyles among students, staff, and surrounding communities.
8. **Monitoring, Documentation, Compliance and Review:** The IQAC/SDG Cell, in coordination with concerned departments, shall facilitate monitoring and documentation of climate-action initiatives and their contribution to relevant SDGs, particularly **SDG 13 – Climate Action**. Departments shall maintain necessary records and evidence, while all initiatives shall comply with applicable laws, regulations, safety requirements, and University policies. The implementation of the Policy shall be periodically reviewed by the competent authority for continuous improvement.

All Deans, Heads of Departments, administrative units, faculty members, staff, students, and concerned stakeholders are requested to extend their cooperation for the effective implementation of the **Policy for Climate Action for Sustainability**.

This Office Order shall come into force with **immediate effect**.
