

OFFICE ORDER

Subject: Implementation of Policy on Responsible Investment and Divestment

Kalinga University, Naya Raipur is committed to responsible financial governance and sustainable institutional investment practices in alignment with Sustainable Development Goal 7 (Affordable and Clean Energy). Where the University has discretion over investment decisions, it shall consider environmental, social and governance factors alongside financial safety, liquidity and long-term value.

The University shall seek to avoid new direct investments in materially high-carbon fossil-fuel activities and give preference, where financially prudent and legally permissible, to renewable energy, energy efficiency and sustainable technologies. Existing investments inconsistent with this Policy, if any, shall be reviewed for appropriate phased divestment, subject to fiduciary duties, contractual obligations, risk and competent approval.

All concerned authorities, Finance & Accounts, Administration, investment-related committees and IQAC shall extend necessary cooperation for implementation, documentation, monitoring and periodic review of this Policy.

Dr. Sandeep Gandhi
